Well said pronunciation for clear communication pdf

For over 40 years, Linda has followed her interest in pronunciation of the first and second languages. He has taught ESL students at Georgia Tech, international faculty assistants at Emory University, and postgraduate students in applied linguistics at Georgia State University in Atlanta. His special interests apply pronunciation studies to practice and integrate pronunciation into the oral communication curriculum. He is the author of two pronunciation texts, Well Said and well said Intro (National Geographic Cengage) and editor of the teacher resource volume Pronunciation Myths (University of Michigan Press).
