Star guardian lux

English commentary shares a flash before our time, in the skies together. The vote we took kept us strong. Don't disappear, it's time to shine. Burning bright while we reach out to the same horizon. Burning brighter, running out of time, we're chasing the light. They were in a flash before our time, in heaven together. The vote we took kept us strong. Don't disappear, it's time to shine. Burning bright while we reach out to the same horizon. Burning brighter, piercing through the dawn, we burn on and on (and on) 'Endless Starlight' Lyrics <soundcloud url= width=500 height=100></soundcloud> Endless Starlight ~Shine of Life~ い Namida yo hoshi ni mabataki wo tsutaete Oh my tears, tell the stars about the sparkles: い Mamoru mono ga arukara kitto tsuyoku nareru There is something want you to protect, so you surely'll become stronger.
