Milman (g. St. James, London, England, 1791; d. Sunninghill, Berkshire, England, 1868) wrote this text about 1822. It was first published in the hymns of Reginald Heber (PHH 249) written and adapted for the Weekly Church of the Year (1827). In the text of this beautiful Palm Sunday hymn, Stanley L. Osborne (PHH 395) wrote, purposeful, robust, confident, and stirring, it has that peculiar combination of tragedy and victory that draws the singer to the very center of the drama. This is what gives the hymn its power and challenge (If Such Holy Song, 449). The text unites meekness and greatness, sacrifice and conquest, suffering, and glory— all of which is central to the Gospel of The Sunday of the Verbs. Each stanza begins with a ride on, a ride on in majesty. Majesty is the subject of text, because the writer helps us experience a combination of victory and tragedy that describes the record of triumph. Christ is born with Hosanna as he goes forward to be crucified (b. 1). That death means victory: it is his triumph in o'er captivity death and conquered sin (b. 2). God the Father awaits christ's victory with expectations (st. Finally, Christ goes forward to take his power... and reign! (Notice how dominion is subtly suggested as a noun and verb.) The original third stanza was not included. Milman was a playwright, poetry professor, historian, theologian, ecclesiastical, songwriter and songwriter in all these fields. In 1816 he graduated from Brasenose College in Oxford, England, and in 1823 wrote three popular performances on religious topics. 1821 In Oxford, he was appointed professor of poetry, but after 1827 he applied for studying church history. His Jewish history (1829), which raised a fierce protest by reviewers, was influenced by new critical Methods. Ordained in 1817, Milman served in the service St. Mary's Church reading and St Margaret's Church in London; his most famous church appointment was as dean of St Paul's Cathedral. London, a post he held from 1849 until his death. His best scientific work is his History of Latin Christianity (1854). Milman wrote thirteen hymns, all published in bishop Heber's hymns (1827). Liturgical use: mandatory for each Recruitment Sunday morning service (with 375/376). --Psalmemeter song guide == H.H. Milman. [Palm Sunday] Published in Bishop Heber's posthumous hymns, &c. 1827, p. 58, 5 stanzas from 4 lines, and again Milman's Selection of Psalms &c. Hymns. 1837, No. Opening stanza, which reads:— Ride on! Ride majestic! Hark! all tribes of Hosannacy! The thin humble beast reaches its knees, with palms and scattering clothes strew'd, failed to be acceptable to most editors. Murray, in his Hymnal, 1852, sought to soften the third verse, so read.— O The Savior humble, seek your way. It was taken hymns of ancient &c. Modern., etc. Mercer tried another change:— With joyful thrones to reach your way, but this received only little attention. Several hymns follow the example of Elliott Psalm and hymn, 1835, and skip st. These include the Christian Knowledge Church Hymn Society, 1871. Original text in The Book of Praise, 1862-1867. This hymn is with the author's best lyrics and is the most popular song of Palm Sunday in English. --John Julian, Hymnology Dictionary (1907) Page 2 <. Back to the government page RIDE ON!
