## Rockefeller street lyrics 10 hours

Sunlight fades Night silhouettes in the sky LED lights flash on the towersIt's Manhattan's magical time Ballerinas dancing in Swan Lake A river made of diamonds and pearls All a little strange now Because tonight it's showtime In the middle of street life (street life) All celebrate the good weather (good weather) Because tonight showtime (showtime) Come and walk on me1273 , off the Rockefeller Street Life march and feel to 1273, off Rockefeller Street All more, as surreal (as surreal) (Don't lie, don't lie, don't lie Let's go, let's go) Old school Hollywood stars Party Cinderellas are moving here like computer game heroes Because they know that showtime is in the middle of street life (street life) All they celebrate is good weather (good weather) Because tonight it's showtime (showtime)So let's keep movin' on1273, down the Rockefeller Street Life march and feel to 1273, down rockefeller street all more, as surreal (as surreal)So keep movin' on Keep movin', keep movin', keep movin', keep movin' If you want to know what Rockefeller groove keep movin', keep movin', keep movin', keep movin' Time is right to celebrate good times , hold movin', keep movin', keep movin' Time is right to celebrate good times)1273, down to Rockefeller Street Life is marchin'on do you feel that 1273, down to Rockefeller Street Everything is more than surreal (than surreal)1273 down to Rockefeller street Life is marchin' on do you feel that1273 down to Rockefeller street Everything is more than surreal is fading is fading away , night silhouettes in the sky LED lights flash on the towers This is Manhattan's magical time for Ballerinas dancing in Swan Lake with a river of diamonds and pearls All a little strange now Because tonight, it's showtime In the middle of street life All celebrate the good weather Because tonight, this showtime Come and walk with me 1273 down the Rockefeller street life marches Na, do you feel that?
