Skyrim aventus aretino missing

When I grow up, I'll be a triaker. That way I can help a lot of kids, just like you. —Aventus Aretino[src]
Aventus Aretino is a Nord child in Windhelm who was found at the home of his deceased parents. When discovered, he was doing Black Sakramen in the hope of being able to contact the Dark Brotherhood. Denying the death of Grelod Kind for mistreatment of children at Honorhall Orphanage, he asked Dragonborn to fulfill the contract. If successful, he gave them the Aretino Family Estate. Background[edit | edit source]
Aventus lost his mother, Naalia, when he was about ten years old; his father's fate is unknown. Because he didn't have anyone else to take care of him, Jarl Ulfric Stormcloak sent him to Riften to stay at Honorhall Orphanage. At the orphanage, he developed a strong resentment for headmaster Grelod Kind, who, despite his name, was very cruel to him and other children. Aventus fled the orphanage and returned to his now-dishonoured home in the heart of Windhelm, where he had lived with his mother when he was alive. When Dragonborn discovered it, he tried to contact the Dark Brotherhood by performing black Sacrament. Interaction[edit | edit resources]
On dragonborn journey, rumours are heard about a child in Windhelm trying to contact the Dark Brotherhood. These rumors can be heard from a variety of sources, including innkeepers and guards. When hearing these rumors, the objective of the various Talk to Aventus Aretino begins. Upon reaching Aretino Residence, a child, Grimvar Cruel-Sea, can be seen asking Idesa Sadri if it is true that Aventus tried to do black Sakramen. Idesa told him that this was nonsense, but when Grimvar said that he would go asking Aventus to play him quickly acknowledge the lies and begging him not to approach Aventus: Grimvar: Then it's true, what do everyone say? That Aventus Aretino doing Black Sacrament? Trying to call the Dark Fraternity? Idesa: Oh, Grimvar ... always with nonsense. No, no, of course not. They're just tales... Grimvar: Fine. Then I'll invite him to play. He lives there. I'll knock on his door ... Idesa: No, kid! Hold on! The boy, the house - they were condemned. Grimvar: Hal! Then I was right. I know. He tried to kill someone! Idesa: All right. I wouldn't deny it, children. What you hear is true. But Aventus Aretino walks a dark trail. His actions could only lead to rubble. Now, enough is enough. We'll talk no longer this. I was the only friend you needed. When entering the house, Aretino prays to the Night Mother repeatedly while stabbing an effigy consisting of a human part as she pleads for the help of the Night Mother. No matter what is said, Aventus is convinced that Dragonborn has come to fulfill the contract if he is spoken, and the efforts of Missing Innocence begin. Hearthfire

Innocence Lost[edit | edit source]
It works! I know you're coming, I just know! I did Black Sacrament, over and over again. With the body and ... things. And then you come! Assassins from the Dark Brotherhood. I'm sorry, boy, but I'm not who you think I am. Of course you! I pray, and you come, and now you will accept my contract, yes of course... Black Sacrament ... It took a long time. So very long. But now you are here, you can accept my contract. (Silence) You don't have to say anything. Unde needless. You're here, so I know you're going to accept my contract. Contract? My mother, she... he died. I... I'm all alone now. So they sent me to a terrible orphanage in Riften. Honorhall. The headmaster is a nasty and cruel woman. They call it The Kind Grade. But he's not good. He's terrible. To all of us. So I ran away, and went home. And do Black Sacrament. Now you are here! And you can kill the Grade Kind! Please feel free. To be honest, I'm kind of lonely here. As I hate being sent to Honorhall, I really missed my friends there... If approached again: Please don't kill Constance Michel. He was really good. Grade? As it turned out ... I've killed him. You did? Really? This is the best news I've ever fulfilled! I mean, I know the Dark Brotherhood is good... just not so good! You killed the hag long before I asked! Oh, and please, take this as a fee. It's an old family beneficiary, supposedly pretty valuable. It should take a nice price. Thanks again! (If Type Grade is dead before being asked)
The fitters didn't come cheap, boy. I have a family heir that you can have. Supposedly sort of precious. I hope that's all right. Tell me about your mother. what happened? He fell ill, last winter, when snow came. And he's just ... he never got better. Not all year round. One night he turned asleep and ... never wake up. So now I'm all alone. And Jarl said I had to go to Honorhall Orphanage. It's not fair! Are you sure about this, boy? Kill this woman? I've never been more confident about anything in my whole life. Someone like Grelod doesn't deserve to live one more days. He's a monster. Please feel free. To be honest, I'm kind of lonely here. As I hate being sent to Honorhall, I am miss my friends there ... After killing Grelod: Well? Grade the Kind. Is he... you know? The Kind Grade is already dead. Aha! I know you can do it! I just know! I know the Dark Brotherhood will save me! Here, just as I promised. This should take a nice price. And thank you. Thanks again. Quote[edit | edit source]

Innocence Lost is an effort found in Old Scrolls V: Skyrim. Rumours have been circulating around Skyrim that a child by the name of Aventus Aretino tries to call the Dark Brotherhood. This boy is in Windhelm, according to hearses. Background [edit | edit source]
I heard rumors that one person The man named Aventus Aretino, in Windhelm, has tried to contact the Dark Fraternity. I should find this boy and talk to him, and find out why he wants to contact the testamenter's association. Objective [edit | edit source]
Speak to Aretino Kill Grade Kind Tell Aventus Aretino that Grelod The Kind has been killed Walkthrough[edit | edit source]
While walking around Skyrim, the Dragons will begin listening to the damned rumours of children. Any innkeeper can be asked about the latest and final rumours, the person will mention that there is a child trying to call the DarkEred Brotherhood in Windhelm. Another way to start[edit resources]
The easiest way to start a search is to choose an Aretino Residence key and talk to Aventus Aretino inside. While talking to Idesa Sadri inside the Candlehearth Hall in Windhelm, there is an option to ask about children doing Black Sakramen. Idesa can also be heard talking to Grimvar Cruel-Sea about children outside aretino Residence. Speaking to Maul at the early entrance to Riften and asking him about dark Brotherhood rumours will begin this effort as well. Entering Honorhall Orphanage in Riften and listening to Grelod the Kind talk will also begin this effort. After he sacked the child, Dragonborn could ask any child who was Aventus, and this would start an effort under various. The children themselves can also be interacted with, and when they are referred, they will say Aventus Aretino is trying to contact the Dark Brotherhood in Windhelm. It is also possible for the guards to sound around Windhelm and Riften talking about Aventus, but this will not begin the search. Speaking with Aventus Aretino[edit source]
Aventus Aretino can be found inside the Aretino Residence located near the Gray Quarter in Windhelm. When he first entered the Aretino Residence, Aventus was found chanting Black Sakramen and asking the Night Mother why she had not yet answered her prayers. After beginning a conversation with Aventus, she will tell Dragonborn that she calls the Dark Brotherhood because her mother died and she was sent to Honorhall Orphanage, in Riften. While there, the cruel matron, the Grelod Kind, abused him and other children, causing him to run away. Aventus believes that Dragonborn is the killer of the Dark Brotherhood, despite the choice of conversation the character emphasizes that is not at all, and will ask the player to kill the Grade Kind. When told that the separation doesn't come cheap, he claims to have a fairly valuable reward. Kill Grade Kind[edit | edit source]
Grade is available at Honorhall Orphanage in Riften. When talking to him would be rude and if the player told him that Aventus said hello, he would be infused and swore revenge on the boy. At this point that he was very hostile and foreign, so the player couldn't talk to him anymore. He didn't prove any to Dragonborn, as one of the hits of any weapon, albeit a sling, would be enough to kill him. Players may call followers alternatively to he's down. Children in orphanages will not report Dragonborn to the Riften Guard either, but instead cheer over his departure. However, it is advisable to carry out duties in Honorhall Orphanage. Also be sure to ignore Constance Michel instead of to kill him, as this would trigger an overflow at the Rift. Once Grelod was delivered, return to Aventus in Windhelm for rewards. Rewards[edit | edit source]
Aventus will reward Dragonborn with Family Heirs Aretino with a basic value of 100. This will also begin the next stage of the Dark Brotherhood search with Friends Like This... To begin this search, sleep in any bed away from Windhelm. Journal[edit | edit source]

If Dragonborn has Serana as a follower during this effort, in household Aretino Residence Serana will start doing the ceremony itself. If Dragonborn killed The Kind Grade without ever consulting Aventus Aretino, the Dark Brotherhood would not immediately begin relations. If Dragonborn met him after killing the mark, Aventus would be very happy (I knew the Dark Brotherhood was good... but...) but the reward remains the same. The Dark Brotherhood will then contact Dragonborn. Dragonborn doesn't have to talk to anyone before talking to Aventus. After completion of the search, guards in other cities will discuss them. The guards in Riften will add, Say, didn't I see you out of there? Interestingly, among the items that can be seized or picked up from Grad are copies of the Pig Children, indicating that Grades may be racist against Orsimer. It is interesting to note that all the guards at Riften will also admit how cruel Grelod is, saying something like a small brats better. Instead, guards in all other areas would have thought the killing was a tragedy. Aventus' comments before starting the conversation implied that he had done Black Sacrament for a long time. Later in the quantity, Astrid imagines that he is his efforts, but it seems he doesn't believe that the contract is worth it, being the only contract in the Dark Brotherhood effort given by a child. Although hearthfire supplements are installed, children from Honorhall cannot be adopted during Grelod's life. If Dragonborn wants to practice Honorhall children, they must kill the Grade Kind. If the bug still occurs, please post the bug report with the appropriate system template 360/XB1 , PS3/PS4 , PC/MAC , NX , depending on which platform the bug has been encountered. Be descriptive when listing bugs and repairs, but avoid having conversations in descriptions and/or using first-person anecdotes: those discussions belong to the appropriate forum board. PC 360 PS3 Sometimes Aventus Aretino won't appear when you enter the house, making it impossible to complete the search. PC (Fix) One can use setstage console commands to consultate early interactions with Aventus, then go killing Grades, return to his home, and then use the console again to complete the search and add inheritance using additem commands. 360 PS3 It is possible for the remains of Grelod to disappear to the floor after he was killed, and reappears in a child sleeping quarters in the middle of the floor. 360 PS3 PS4 If Dragonborn kills Grelod before he finishes talking to the kids, it can restart the effort before you talk to Aventus. PS3 If Dragonborn stops talking to Aretino it won't begin its next effort. PC If Grelod was killed before embarking on this effort, the effort would be glitched. When told by Aventus Aretino to kill Grelod he was dead, making a search impossible to settle. This can be improved by entering the console command: SetObjectiveCompleted DB01 20 1. 360 After killing the Kind Grade, waiting too many times too long can result in a courier never delivering a message.
