Arhaus coffee table

withstand daily use. However, since even the best-crafted furniture and décor are not indestructible, normal wear reflects use and care. Handmade furniture made of natural wood with hand-applied surfaces can vary in color, pattern, shape and texture, making each truly unique. Arhaus finishes can change over time, and natural wood can display small splits, knots, joint lines, or other features that give your piece character without compromising its quality or performance. Furniture made of natural wood can move easily, as temperature and humidity cause the wood to expand and tighten. This is normal and should be expected from season to season. Occasionally dust-painted wood surfaces with a soft, dry cloth and non-wax furniture polish to keep surfaces at their best. Metal surfaces should also be regularly dusted with a soft, dry cloth. For optimal results, follow the instructions for use for all detergents carefully. Not transferred. To avoid moisture damage (such as water rings), wipe spills immediately with a soft, dry, unvarnished cloth. Because iron is prone to rust, avoid contact with excessive moisture. Do not clean with abrasives, hard, corrosive chemicals or care products containing ammonia or silicone, as these could damage surfaces. Avoid placing interiors in direct sunlight or near heat or moisture sources, as this can lead to cracks or surface changes. when assembling new furniture, overvoltage the hardware, as this can lead to cracks. Never place hot dishes directly on wood or metal surfaces, as this could lead to scorching. Similarly, prolonged use of electrical hot appliances can also lead to scorching. Protect surfaces from casual markings (such as scratching, burning, and water stains) by using coasters, coasters, felt pads, and non-plastic mats. Lift furniture when moving. Do not drag, as this joinery and damage your piece. Avoid using table socks as footrests. Make sure your furniture is in a layered position to ensure the longevity of your piece, as frames tend to warp when they are on an uneven surface. Story Details Care Shipping Guarantee Protection Finished by Artisan Nas to achieve truly stunning patinas, our Acero beity tables complement cool, rustic metal with the warm colors and organic textures of wood.
