Kayarian ng salita worksheets grade 5

Filipino words can be classified according to how they are established. There are four main ratings of Philippine words: P-ak (root or twenty words), salitang mi (one word with one or more words), tambalang (compound word), and salitang involulate (words or words with one or more repeating curriculum). The following PDF file contains two workshops. Each workout asks the student to classify 40 words per four types. The first two pages of the file are empty versions and the last two pages are answer keys. These workshops are for personal and multi-classroom use only. You can print and distribute them to your children or students, but you can't do it for any commercial purpose or profit. You can't even upload this PDF file or any part of it in any other website, such as Scribd or SlideShare, or cloud storage sites such as Google Drive or Drop Box. Click the link below, not the picture, to open the file in another tab. According to this how the Philippine words can be classified as they are shaping.
