Meigs county school calendar 2020

November Menu 2020Meigs County Board of Education October 27, 20205:44Meigs County School Bus #12-1 was involved in a collision on Highway 58 South on the afternoon route. Children were on the bus and there were injuries. At this time, all families have been informed and children with a family member have returned home or been taken to hospitals for treatment. Cyberbullying, the spread of disinformation, oversharing: They all happen online. In today's world, social media and online tools are playing an increasingly important role in how children socialize and learn. That's why we're celebrating digital citizenship week: a week in which schools and educators across the country promote and practice digital citizenship in their classrooms. What is digital citizenship? It's all about taking ownership of our actions online and using technology responsibly and respectfully. As a digital citizen, participation is actively involved in the way we think and behave online. Digital citizens are critical of the content they consume, be careful about what they share and with whom, and practice kindness, compassion, and empathy with their online communities. How can I encourage my child to be a digital citizen? Students in grades K-5 can take this Digital Learning Pledge to create a positive culture for distance learning. High school and high school students can sign this digital learning agreement for an effective and intentional remote experience. Get free activities from Wide Open School's daily plans for your child. This week's plans are all aimed at #DigCit. Browse wide open school digital citizenship library all year round to encourage your child to always be a digital citizen. And follow the hashtag #DigCitWeek on Twitter and Instagram to get more digital citizenship resources from Common Sense.2020 Surplus ItemsBoard Meeting October 8, 2020OCTOBER 2020 MEIGS COUNTY SCHOOLS CAFE' MENUBOARD WORKSHOP September 24, 2020We need your help!
