After you start this app, you'll see the Facebook interface. See the photo (normally so you do in regular facebook) that you like. If the privacy of the photo is public and anyone may want the photo, then the notification button (located at the bottom of the screen) will become GREEN. Click that GREEN button and you'll start to get like on that photo within one or two minutes. THEO D-I CHUNG TOI Uptodown is currently under maintenance. We'll be back soon.
