Border Officer is a cool game clearly inspired by Papers, Please. In this game you play the role of a border officer of the fictional Republic of Stawronzka, whose economy is full of corruption and contrary to neighboring nations. Your task is to support the family, as well as to do your job. The game begins in the house where the wife, son, uncle and stepmother are located. The first thing you need to do is decide how to get to work; Please note that each transport route costs a different price. And when you get to the workplace, the real action begins! As in the aforementioned Papers game, Plese, your task is to check the documents and documents of passengers who want to enter Stawronzka. If all documents are regular and complete, you will allow them to enter the country, but if you see any discrepancies, you should refuse their entry ... What sometimes can not be easy work. Border This is a game inspired by Papers, Please and offers a bigger and immersive experience. Not only that, but the full action is presented from a first-person perspective.
