Breast cancer shirt

October is Breast Cancer Awareness Month and organizations are queuing up to raise awareness and celebrate some seriously strong survivors. It's important to show your support for breast cancer awareness all year round – and if you're looking for ways to carry your support, we've got plenty of beautiful shirts, sweaters and accessories to shop right ahead. The best part? All of these brands have committed to donate to breast cancer charities. What is Breast Cancer Awareness Month? Like a refresher, Breast Cancer Awareness Month is an annual campaign designed to highlight this invasive disease, which affects nearly 1 in 8 women in the United States, according to the National Breast Cancer Foundation (NBCF). Only overlooked for skin cancer, breast cancer is one of the most common cancers to affect women in this country; a woman is diagnosed with the disease every two minutes. Additionally, about 2,600 men in the United States are diagnosed with breast cancer each year, per the CDC. Breast Cancer Awareness Month is a great reminder to get screened for this potentially deadly disease and raise awareness of the cause until there is a cure. If you are interested in volunteering or donating funds, choose from one of these amazing organizations. In the meantime, you can support the cause by sporting breast cancer clothing ahead. Wear your pink pride this month and beyond with the picks below: Advertising - Continue Reading Under 1 NBCF Brave Beautiful Survivor T-shirt National Breast Cancer Foundation nbcfshop.com \$28.00 Designed by NBCF, this T-shirt says it all.
