Calzar's tanics are also regarded as scarred as one of Elix's finest warriors and someone more capable than Akker, Archon Priest. [2] Destiny 2 (Debut) Destiny 2 (Debut) Beyond Light References[Edit Code] Calzar, Scarred Captain is one of the sought-after goals in Destiny 2. You're going to have to hunt him down, but only after you've taken the weekly rounds from Spider, the dealer on Tangled Shore. The description will tell you that it is in shaft 13 in EDZ. If you forget where most of these places are like many players, our Destiny 2 Shaft 13 Calzar, Scarred Captain location guide will help you find. Destiny 2 Calzar, Scarred Captain Shaft 13 LocationDestiny 2 Shaft 13 locationShaft 13 is a lost sector in the European dead zone. To reach it, you would have to travel to Blato, an area in the northeast of the planet. When you're on the docks, go south and hug the wall on the left. When you're out again in the open, look left and you'll see a large wooden door in the red brick wall, with a lost sector mark next to it. Go inside and go down the halls to reach shaft 13. The old mines aren't right, but the equipment stopped working years ago. However, the caves are an excellent hideout for scum of all kinds, including fugitives from the elderly prison. When you get to the main chamber, you'll see the target, Calzar, the captain. You won't be able to miss him, really – he's taller than the other enemies, he has a yellow health bar with the word searched before his name, and a fancy energy shield that prevents you from harming him. Use an energy weapon to penetrate the shield faster, then switch to kinetic to do some serious damage. When you're done with it, go back to Spider, but first make sure the cache is prey in the lost sector – Calzar will drop the key. Talk to Spider and he'll give you a piece. opremo, ki jo je obljubil. The spider's list of enemies continues to move with the help of the Guardians. The next target on the chopping block is Calzar, Scarred Captain. The fallen captain is hiding in the EDZ. Go to Earth and bring the guardian of justice to his horned head. Wanted: Calzar, Scarred Captain – EDZ, Shaft 13 As mentioned in the sought-after bounty, Calzar, Scarred Captain is in Shaft 13 in EDZ. This is one of the many lost sectors in the European dead zone. To save yourself a souggle to search the map for hard-to-see symbols, simply go to Blato to start searching. Visit Spider on clogged coast to get a sought-after bounty for Calzar, Scarred Captain. Shaft 13 Lost Sector is on the east side of Mud. Find the area where Glimmer Extraction or Taken Blight Public Events takes place. There's a hole in the wall with a lot of kabbalah defending the entrance. Find a picture of the white symbol on the wall and go inside. When we're in the mine, proceed to the end and find Calzar, Captain Scar. Thankfully, this is a pretty shallow lost sector, so you won't spend much time running. Calzar defends some of the Shanks nightmare, as well as a host of other fallen enemies. Empty them or focus on bursting the calzar. Calzar, Scarred Captain hangs in Shaft 13 in Blato in EDZ. If we kill Calzar, Scarred Captain will automatically complete Spider's wanted capture. Remember to actually go into your inventory and turn it to receive a reward that should be some XP, Glimmer, and always important Enhancement Core. Next up, consider returning to the Complicated Coast for more of Spider's wanted bullets. You'll want to get your hands on a few more Ghost Fragments because buying a lot of his bounties is sure to prey on your shares.
