## Canelo vs jacobson live stream free total sportek

Canelo Alvarez knocked out James Kirkland in the third round with a brutal right-handed strike. The fight was very short and the way Kirkland started round one was only one result and that he was required to knock out. Canelo dropped him twice, first in Round 1 and then round 3 before finishing it off with a perfect knockout. Canelo Alvarez returned to the ring after a 10-month hiatus, and although he was expected to win the fight, no one predicted such a result. Kirkland came out swinging and caught in the first round and was knocked down and out of it all in one-way traffic as Canelo dropped him against in Round 3 before unleashing one of the most devastating one-punch knockouts in recent times. HBO wrote on Twitter shortly after the fight. WATCH the overhand right from @Canelo, who closed the show on #CaneloKirkland - HBOboxing (@HBOboxing) May 10, 2015 Now Alvarez is expected to fight Miguel Cotto later this year and in addition to Mayweather-Pacquiao, Cotto-Alvarez is the biggest fight out there in boxing.
