Air wick automatic spray instructions

In this page instructions for use: Read the safety information carefully before use. Keep the instructions for future reference. 1. Select where you want to place/hang the device. To open, press the button on top of the device and pull to open. Place the unit at a height of at least 6 feet from floor level according to diagram no. 2. Make sure the switch on the side of the device is in the off position. Insert 2 AA/LR6 batteries. Make sure that the batteries are inserted correctly, adjust the positive (+) and negative (-) terminals as indicated. 3. Before inserting the aerosol filling, check that the internal mechanism is in the correct position according to instruction no.7 (see white box below). If not, push up the red lever. Then insert the aerosol filling into the unit by placing it on the bottom of the unit with the spray nozzle facing outwards. 4. Point the device away from your face. Set the device by setting the fragrance intensity control to the needs of your home: low, medium, high. 5. Once activated, the device will spray after a delay of 15 seconds. If there is no spray after 15 seconds, insert the batteries correctly and follow the instructions in no.7 (see white box below). 6. Close the unit and place it where it is selected so that it is securely attached. To change the fragrance setting after installation, you must remove the device from your face before changing the intensity control for the fragrance on the side of the device. 7. If no spraying occurs after it is switched on for 15 seconds: A) Set the switch on the side of the unit to off. B) Remove the aerosol filling and push up the red lever and repeat the instructions 4 to 6 inclusive. 8. When the aerosol filling is almost empty, the red light flashes quickly and the device will soon stop working. Direct the device away from the face, turn the switch on the side of the device to the off position (this resets a spray counter), replace the aerosol filling and select your selected scent intensity level. *Approved by Reckitt Benckiser.
