Literary terms crossword puzzle answers

The guide will always be written in the same part of speech and answer. Check for clues that call for answers that end in S, ED, EST, or ING. Often this ends can you 'retommumyama' (but not always). : Father = AMI or indirectly, friend, in France. Direct brief answers, Whistlestop (Abbr.) = STA or indirectly with a short word as part of the guide, RR stop = STA. These cluing agreements are the accepted rule of American-style puzzles. Crossword puzzle is a word game where the player is given a hint and a number of letters. The player is then filled in a grid of squares by finding the right words. Liverpool journalist, Arthur Wayne, invented the first crossword puzzle. Arthur Wayne was born on June 22, 1871, in Liverpool, England. He immigrated to the United States at the age of 19. He first lived in Pittsburgh, Pennsylvania, and worked for the Pittsburgh Press. It was an interesting side note that Wayne also played the violin in the Pittsburgh Symphony Orchestra. Later, Arthur Wayne moved to Cedar Grove, New Jersey and began working for a New York City-based newspaper called New York World. The first crossword puzzle for the World of New York, published on Sunday, December 21, 1913. The editor had asked Wayne to invent a new toy for the newspaper's entertainment department on Sunday. Arthur Wayne's first crossword puzzle was initially called the word cross and was diamond-shaped. The name later switched to across the word, and then as a result of an accidental typographical error the hyphen was dropped and the name became a crossword. Wynne is based his crossword puzzle on a similar but much older game played in ancient Pompeii that translated from Latin into English was called Magic Squares. In magical arenas, the player is given a set of words and must arrange them on the net so that the words are read in the same way through them and exhausted. The crossword puzzle is very similar, except instead of being given the words the player is given clues. Arthur Wayne added other innovations to the crossword puzzle. While the first puzzle was in the form of diamonds, he later invented horizontal and vertical puzzles. Wayne invented the use of adding blank black boxes to the crossword puzzle. The crossword puzzles were published in a British publication in Pearson magazine in February 1922. The first crossword was published in The New York Times on February 1, 1930. According to the Guinness Book of Records, the first set of crossword puzzles was published in the United States of America in 1924. Called Word Puzzle Book is the first published by a new partnership formed by Dick Simon and Lincoln The book, a crossword collection from The New York World, was an immediate success and helped found publishing giant Simon & Schuster, who still produces crossword books to this day. In 1997, Weaver Crossword was patented by a variety game company, Weaver Crossword, and was the first computer program to create crossword puzzles.
