From old school RuneScape Vicky Is a great Chompy Bird Hunt quest where you help Rantz the giant catch a chompy bird so that he may feed his children. Details[[editing](#) | [editing source](#)] Walkthrough[[editing](#) | [editing source](#)] starting point of effort. Talk to Rantz; Some of the ways to reach him include using the GNOME glider (only after completing a small fan), trading for a Feldip Hills teleport with other players, the Nightmare Area Minigame Yaban Group, or the Fairy Ring System (AKS). Rantz is hungry and wants you to help him build arrows for his unusually large bow, so he can hunt the chompy bird. Like any arrow, giant arrows require feathers, shafts and tip. Note: You have giant arrows from scratch; Otherwise, Rantz will not accept them. Build arrowtips[[edit](#) | [edit source](#)] you need to start trying before you can have the ability to arrowtips. Kill a few wolves (level 64) in the crater to southwest Rantz for wolf bones. (It can be safe standing near the roots in the northeast of the swamp.) Use chisels on wolf bones to generate flash tips. Note: When selling wolf bones, you get a random amount of arrow head (estimated 2-6). Build shafts[[edit](#) | [edit source](#)] crush a few nearby Achey trees for Achey tree logs (you'll need around 5 logs - Rantz himself wants 6 arrows, and you'll probably want a few of your own). Use knives in logs to produce some flash shafts. Build Flash [Edit | Edit Source] Cave[Edit | Edit Source] Back to Rantz, and flash him. He then tells you about the swampy toads his children like to play with. Ask Rantz all the questions mentioned otherwise you won't be going to open the breast later. Enter the entrance to the cave entrance north of Rantz. Talk to rantz kids in the cave. They let you know that Rantz locks under your giant in the chest (keep bellows if you're doing my mourning end section and/or plan recipes for disaster). The chest is closed and the weight is packed with a large stone. Trying to unlock the chest. Unsuccessful efforts will reduce your power by up to 1. Search the chest to retrieve the shelves (make sure you search for it immediately, or it may be locked again). Inflatable toads[[editing](#) | [editing the source](#)] filling the underlyings and using it on toads. Go back to southwest Of Rantz where you found the wolves, they surrounded a swamp (see first picture of the walkthrough.) using the underdes on the swamp bubble in the swamp, at the southern end of the swamp pond. You will fill three shots with gas underneath before it needs to be ref filled. Use the nods in the toad again to catch bloated toads, and you're getting And put it in his inventory. get three toads . Chompy and Hunting [Edit | Edit Source] Return to Rantz and talk to him. He'll show you where to put the toads to where to get the chompy birds out, drop a toad on point, then walk closer to Rantz. Don't stay too close to the bait, but make sure it's visible in range. In successful deception, a chompy bird will appear. Sometimes, deception will be unsuccessful and the bait will disappear; if this happens, let go of another toad. rantz shoots him , but i miss him . Talk to Rantz and offer to help shoot for him. He will agree and give you his giant bow. (If you're fast getting a bow, the already spawned chompy bird can be killed. Head down to clear and place another toad (it doesn't have to be on the exact tile shown at first). Use bows and arrows and when the bird appears, it ranges. If the bird doesn't appear or it's flying away before you can kill it, keep putting bloated toads to lure the Chompies back. When you kill Chompy, pluck the lenge and raw chompy into Rantz. He wants you to cook it now too (note: you have to kill your own CHOMPY. He will also tell you to ask the kids what they want the seasoned bird with. Travel to the cave, and ask each of the two giant children that they want Chompy seasoned with. In all, you will need three different ingredients, but only one bird. It's different from player to player what the ogres want in Chompy, but here's a quick list of where it's all. A little to the southwest, there's a fire near where you'll find tomatoes. Onions are growing near tomatoes. Right click on the grassy branches and select them. If you get pee seeds instead of pia, choose another shot. De Gaulle leaves: Heading west, on the way to the glider. Echo leaf: You can get this south-east of Rantz. Tomatoes: West-southwest of Rantz, near the Big Ones. stool . Potatoes: Slightly southeast of Rantz (the same area leaves parity). It has to be chosen from a potato plant, cabbage: southwest of Rantz, north of tomatoes and onions. Use the bird in the North Rantz spit while keeping all three ingredients. Now Rantz cooked with his deliciously seasoned chompy bird. Rewards[[edit](#) | [edit source](#)] Music unlocked[[edit](#) | [edit source](#)] Required for completeing[[edit](#) | [edit source](#)] Trivia[[edit](#) | [edit source](#)] When Rantz misses the bird, he blames the arrows rather than the knifeers.
