We also have a quick CDL review that takes the form of flashcards, and a CDL exam simulator that will give you a chance in a real waiting test environment, before you go your Ace DMV test written with our guaranteed cheat sheet. Saving pass time at the first attempt 97.5% pass rate Take Me to the cheat sheet not thanks to a commercial driving license (CDL) allows you to operate a commercial car in Virginia and possibly other states, depending on your qualifications. To obtain a CDL or Commercial Learner License (CLP) in Virginia, you must meet all requirements for a Virginia driver's license. You can hold a driver's license or CDL, but not both. You must I CDL or CLP personally in dmV customer service center. For additional information about CDL licensing, please refer to CDL ratings, endorsements and restrictions. Age requirements must be at least 18 to get CDL within the state and age 21 to get CDL. Identification and residency requirements If you are applying for a CDL license or a commercial learner's license and DMV records show that you did not have a Virginia driver's license or ID card in the past, you must provide documents proving your eligibility. If you are 19 years of age or older, you must show one proof of identity, one proof of legal existence, two proofs of residence in Virginia, and proof of your Social Security number. You will also be asked to submit a document indicating that you are eligible under federal requirements. Use the interactive document guide to determine which documents you'll need to bring to the DMV when applying. Important: As of July 1, 2015, all applicants for CDL, replacement or CJP will be required to meet additional document requirements. Documents accepted by the DMV as evidence of identity, legal presence, residence in Virginia and social security number may change without prior notice. Medical certification requirements all CDL applicants must certify either that they are complying with federal safety regulations and Virginia Motor Company or that they do not have to comply with them. You can refer to the Federal Regulations Act for an explanation of these requirements or refer to medical certification requirements. If you must meet federal or Virginia motor carrier safety regulations, the Department of Transportation must provide a coroner's certificate. This form must be completed by the examiner in the National Register of Medical Examiners. Driver education requirements if you are 18 or older, apply for cdL, and have not previously held CDL, you must either hold a valid driver's license in Virginia or have met all the requirements necessary to obtain such a license. In addition, you must: pass the state-approved driver education program designed specifically for commercial vehicles and hold a commercial learner's permit for at least 14 days, or if you do not complete the driver education program specifically designed for commercial vehicles, keep a commercial learner's permit for at least 30 days before conducting the CDL road skills test at the DMV. [Back to top] selective service registration generally, males under the age of 26 must register for selective service. If you are required under federal law With selective service, you must authorize dmV to send your personal information to the selective service unless you have already registered. DMV is prohibited from issuing any type of driver's license or id card to an applicant who is required under federal law to register for selective service, but refuses to authorize dmV to send its information to the selective service. If you have questions about selective service registration, visit the Online Service website at [www.sss.gov](http://www.sss.gov) or call 847-688-6888, TTY: 847-688-2567. [Back to top] Complete the app if you are applying for a CDL license or a commercial learner's license (CLP), you must complete an application for a commercial driver's license (DL 2P form). You can complete this form before or after coming to the DMV. Use your full legal name, as shortcuts and titles will not be accepted. For your convenience, you can also apply to register to vote, change your voter registration address, or indicate that you want to become an organ donor when applying for your CDL. Falsifying information about a driver's license or id card is a criminal offence. Changing or assisting a person with a driver's license incorrectly or fraudulently, learner's license, CDL, commercial learner license or ID card is also a criminal offence. [Back to top] applicants for hazmat certification must have their fingerprints to check the background. The non-refundable fee is \$83.00. Applicants who use the TWIC definition certification (TWIC®) compared to hazardous materials (HAZMAT) should not have approved a reduced fee. The non-refundable fee is \$41.00. The duration of your CDL or business license is usually valid for your Virginia card for eight years and expires on your birthday. The first license will expire on your birthday in the eighth year of the license. Commercial Learner permits are issued for one year and cannot be renewed. Individuals who have been temporarily authorized to be in the United States and who have less than one year remaining will receive a business learner's permit with the same expiration date as shown in the document used to establish legal existence. Individuals required to register for the Register of Sex Offenders and Crimes Against Minors (Virginia Act Chapter 9, Section 9.1) (Registration) will issue valid licenses for five years. They are not eligible for a Commercial Driving License in Virginia/Commercial Learner License with S Support during any period where registration is requested with the Registry. In addition, they are also not eligible for a Virginia CDL or CLP with P support unless it carries a restraining order prohibiting the driver from transporting children for school and/or day care activities, for many individuals residing in another country but authorized In the United States temporarily, CLP/CDL will carry a non-CDL or CLP-based ton or non-CLP based and will be valid only for the amount of time that an individual is legally allowed to stay in the United States. These individuals will not be eligible for CLP/CDL if their authorized stay in the United States is less than 30 days from the date of application. CDL expiration will be the same as the expiration date shown in the document used to prove legal existence. If the document does not show the expiration date, the CDL will be valid for one year. [Return to the top] Commercial driver's license fee fee depends on the validity of your license (see the DMV fee scheme for details). The standard CDL cost with no certifications of \$64.00 and is valid for 8 years. Cost (\$1.00) extra per year. The commercial learner's permit costs \$3.00. [Back to top] test tests may include vision testing, CDL knowledge tests and CDL road skills testing. You may also need to take a two-part driving license knowledge test. The DMV representative will tell you what tests you need to take. For additional information, see eligibility requirements for cdl skills testing. [Return to the top] receive your license once you pass your required test, your CDL or commercial license will be sent to the address in DMV records. DMV has been transformed into a new secure process for issuing driver's licenses and ID cards, and has stopped issuing them over the counter. The U.S. Postal Service will not forward your driver's license, so make sure the DMV has the correct current address in the register. If you've moved, notify the DMV immediately. [Back to top] Additional information applying for a driver's license for persons convicted of certain sexual offences (as described in The Va. § 46.2-323) must register with the Virginia Department of Police as provided for in § 19.2-298.1.
