Los Padres National ForestArroyo Seco Campground is a semi-rustic but developed facility in California's westernmost national forest. It offers a great escape from busy urban life, mountain air and provides access to various outdoor recreational options. The campsite offers which are modern and primitive, for single- and double family occupancy. Campsites are available for tent or RV camping, but utility hookups are not available and there is no landfill. Some sites are level and large enough to suit most RVs. Roads are paved all over the campsite. Each it is equipped with a table and a bonfire with barbecue. Campsites in the first loop offer accessible flushing toilets, coin showers and drinking water. Vault toilets as well as drinking water are available in the camping area. Some pages are fully accessible. A group campsite is available for bookings, which can accommodate up to 50 people and 10 vehicles. It offers tables, a bonfire, as well as vaulted toilets and drinking water. Notices and warningsSEE NOTE: Due to recent fires and air quality affecting this campsite, all bookings are subject to 48 hours cancellation notice. All bookings will be refunded in full. We apologize for any inconvenience this may cause. Arroyo Seco day use is closed. Need to KnowIn order to contact our office, please use e-customerservice@pmcparks.com. The journey to get from Arroyo Seco to Big Sur is about 70 miles on a very curved road that is approximately a two hour drive away. All bookings of individual campsites are good for 6 people and 1 vehicle. The maximum number of people per site is 8 (USD 10.00 for an extra charge of 6 people). The maximum number of vehicles on site is 2 (\$10.00 surcharge for a second vehicle). Be careful in the river; water can be fast and dangerous in the springDomous conditions can change rapidly; insect control may be present prior to arrival; appropriate provisions (repellents, etc.) Reservations can be made three days in advance. Each site includes one vehicle in the usage fee. The dual pages include two vehicles in the usage charge. Any additional vehicles will be charged at the campsite for \$10/night per vehicle. Click here for more information on Los Padres National ForestDon't Move Firewood: Protect California forests from tree-killing pests by buying firewood locally and burning them on-site. For more information, visit firewood.ca.gov.Natural FeaturesThe site offers views of the Ventana wilderness mountain peaks and one small lake (water level depends on the season). It is set in a hillside, surrounded by copious kerbers and large oaktrees. It is located next to the Arroyo Seco River at an altitude of about 400 metres. Various birds and wildlife make their home in the area. A splash of color greets visitors at the entrance gate, where various plants in bloom. In spring and autumn, the leaves on the trees change to beautiful shades of red, yellow and orange, creating a beautiful scenic landscape. In spring, the pool beans bloom all around. Attractions aroundCity Monterey offers a variety of tourist options and is located about 80 km from the campsite. The west side of pinnacles national monument is about 50 miles from the campsite. The monument and surrounding area is popular among climbers in spring and autumn. Recreation Small bodiless contact lake nearby group campsites give campers the advantage of mountain fishing and small non-motorised boating. Fishermen find mostly bass and catfish in the lakes, and other species occasionally. A fishing licence is required for visitors over the age of 16. The nearby river offers a small beach where campers and daily use visitors can wade and swim. All nearby bodies of water depend on seasonal rain to keep levels rising. Ventana Wilderness, also known as the Gorge, provides ample opportunities for hiking, swimming, backpacking, hunting and horseback riding. No motor vehicles are permitted (unless the Forest Service has granted prior authorisation) behind the road gate and the car park. The 30 km Santa Lucia Trail is 30 km away for hiking and horse riding and provides access to the surrounding wilderness and various other routes.
