## Edelbrock 1405 manual

Image not available forColor: The Edelbrock 1405 Performer Series 600 CFM manual choke carburetor is a precisely tuned, quality-built carburetor that can handle the rigors of daily driving while delivering consistent, reliable street performance from day to day. Several features make the 1405 Performer Series 600 CFM manual choke carburetor an outstanding street performer. The first is that measurement rods are utilized to transition between circuits. The carburetor is not affected by engine backfires, which means that there are no power valves to blow out, and the rods can be changed in seconds without removing the carburetor or fuel draining. Secondly, the carburetor has the unique ability to hold a melody, so once tuned, the carburetor stays tuned. What this means to you is that compared to other carburetors, performance remains consistent and calibration remains unchanged. The lightweight body in aluminum has a two-piece body that resists warping and is compatible with gasohol and mixed fuels. The simple tub-type bowls and rear pivot floats all contribute to a carburetor that is reliable, user-friendly and easily tunable for miles and miles of hassle-free operation. For more information, visit [www.P65warnings.ca.gov](http://www.P65warnings.ca.gov).Installation NotesElectric choke #1478 can be added if necessary; Recommended cubic inch offset for large block dual quad applications is 396-502+ c.i.d.; Performer Series Carbs will work with Ford automatic overdrive trans (AOD) when used with lokar mount SRK-4000; Edelbrock carburetors are not calibrated for or compatible with alcohol, race or E85 pump fuel. The use of alcohol or E85 in your Edelbrock carburetor will damage your carburetor and void your warranty. These fuels may also damage other fuel system components, if not specifically designed for use with alcoholic fuels; The use of a new fuel filter between fuel pump and carburetor is required. Failure to do so will void the manufacturer's warranty of the carburetorBody Color Satin FinishChoke Type ManualFinish SatinMarine Approved NoMaterial AluminumCFM Rating 600 cfmPrimary Jet Diameter 0.100Loading ... WARNING: Motor vehicles contain fuel, oils and liquids, battery poles, terminals and accessories containing lead and lead compounds and other chemicals known to be state of California to cause cancer, birth defects and other reproductive damage. These chemicals are found in vehicles, vehicle parts and accessories, both new and as replacements. As they serve, these vehicles generate used oil, waste fluids, fat, smoke and particles, all known to the state of California to cause cancer, birth defects, and reproductive damage. Tools: WARNING: Some dust created by power grinding, sawing, grinding, drilling and other construction activities includes chemicals that the State of California knows to cause cancer and birth defects or other reproductive damage. Some examples of these chemicals are: lead from lead-based paints, crystalline quartz from brick and cement and other masonry products, and arsenic and chromium from chemically treated lumber. Your risk from exposure to these chemicals varies, depending on how often you do this type of work. To reduce your exposure, work in a well-ventilated area and with approved safety equipment, such as dust masks specially designed to filter out microscopic particles. Electrical Cords WARNING: The wires in these products contain chemicals known to the state of California to cause cancer and birth defects or other reproductive damage. Wash hands after handling.
