To celebrate, Disney has released Star Wars: The Rise of Skywalker early on Disney+ to lift everyone's moods. So you can now watch Star Wars: The Rise of Skywalker online for free. Originally intended to come on the Disney+ streaming service in two months, Disney has decided that there is no better day to release Star Wars: The Rise of Skywalker than May 4, Star Wars Day for many. It joins the other 8 parts of the Skywalker Saga or Star Wars movies on the service which means you're good to go if you want a huge binge-watching session of everyone's favorite Sci-Fi saga. The best part? If you sign up for a 7-day free trial with Disney+, you can watch the latest Star Wars movie, the rest of the saga and everything you want for free. Disney+ is home to almost every Disney movie out there, tons of Marvel content, from the latest Avengers movies to the X-Men cartoon, as well as the hit series The Mandalorian, which expands even more in the Star Wars universe than recent movies. Simply put, you're not going to run out of options of things to watch on Disney+. The Rise of Skywalker culminates in the story of Rey, Kylo Ren, Finn and Poe Dameron, but you can easily watch Star Wars: The Clone Wars if you need more Star Wars action, as well as the older classic movies. Disney+ also offers every episode of The Simpsons that has aired so far. That's over 30 years of content. All you have to do is sign up for a Free Disney+ trial. It's super easy to do with no risk or contract required. Just cancel for the renewal date in 7 days, and you don't have to pay a penny. We're confident that you're keen to get that subscription in effect already, because there are so many great shows and movies here. If you decide to, Disney+ usually costs \$7 a month, but for \$13 a month, you nab it along with Hulu and ESPN+ which is a bargain for sports and TV enthusiasts. Whatever you decide, grab a free 7-day trial with Disney+ now and enjoy celebrating Star Wars Day with a viewing of The The The Skywalker! It is available now. We strive to help our readers find the best deals on quality products and services, and we choose what we treat carefully and independently. The prices, details and availability of the products and offers in this post can be changed at any time. Make sure you check if they are still in effect before making a purchase. Digital Trends can earn commission on products purchased through our links, which supports the work we do for our readers. Editorial recommendations It's May 4, which means it's Star Wars Day 2020 and time for the official release of Episode IX, 'The Rise of Skywalker' for home streaming via Disney+. Sign up for Disney+ to watch The Rise of Skywalker or take advantage of their seven-day free trialThe latest film in the Skywalker saga is finally available in cinemas for the first time. It's just in time, even as fans across the country are stuck in during the coronavirus pandemic. Fortunately, there are a number of options for fans to get binge 'Star Wars' fix thanks to the wide variety of streaming options. How to watch Star Wars: The Rise of Skywalker:Available for streaming via: Disney+ - You sign in on your computer, tablet, phone or any other WiFi device that has the app. Price - The base price for Disney+ is \$6.99 per month or \$69.99 per year. However, if you only want to watch the latest Star Wars movie, you'll benefit from the service's seven-day free trial. Make sure you cancel before it starts charging you. Disney+/Hulu/ESPN+ Bundle – You also get Disney+ as part of a bundle package with other streaming services for a total of \$12.99 per month. Watch Disney+ - As is the case with the most popular streaming services, Disney+ is available through the app on smart TVs, smartphones, tablets, Roku and other streaming devices video game consoles and via the web browser a computer. What other Star Wars movies and shows are available on Disney+? I unfortunately missed Rise Of Skywalker in cinemas, is there a website where I can watch online for free? (Image credit: Disney) The latest Star Wars film, Episode IX: Rise of Skywalker, fell earlier this year after its digital release was put forward due to the lockdown of the coronavirus. It has now come to the Disney Plus streaming service, which means it's easier than ever to stream the new Star Wars movie. Let's get started – here's how to watch Rise of Skywalker online today. Star Wars Episode IX: Rise of Skywalker cheat sheetReleased: 2019Director: J.J. AbramsCast (credits order): Carrie Fisher, Mark Hamill, Adam Driver, Daisy Ridley, John Boyega and Oscar IssacRating (US/UK): PG-13 / 12AWatch now: Disney PlusSPOILER If you haven't already watched the first two films in the Star Wars sequel trilogy - The Force Awakens and The Last Jedi - - some serious spoilers are lurking below. Scroll past this section for a completely spoiler-free global guide to watch Rise of Skywalker online. Of course, there are plenty of theories about how best to see Star Wars movies in order, but for most people, Rise of Skywalker represents the last movie in the iconic franchise. It starts with the news (as heavily suggested by the trailers) that Emperor Palpatine is still alive. Finn (John Boyega) and Poe (Oscar Issac) then lead the resistance as it appears to stop the First Order and Palpatine from establishing a new Empire, while the emotional heartbeat and turning point of the film lies in the dramatic confrontation between Rey (Daisy Ridley) and Kylo Ren/Ben Solo (Adam Driver). The last Star Wars film, released in 2019 and directed by J.J. Abrams, was a \$1 billion hit at the box office - and after being made available for on-demand streaming early because of the coronavirus pandemic, it has now landed on Disney Plus, where it sits alongside the rest of the Star Wars catalog. Are you thinking of checking out Disney Plus? It is worth it and will allow you to watch Star Wars: Rise of Skywalker online, among the heaps of great content. Can't miss TV: How to watch normal people onlineHow to watch Star Wars: Rise of Skywalker online To mark Star Wars Day 2020 (May 4th... geddit?), Disney will release Rise of Skywalker on Disney Plus, where it will complete the streaming service's galactic catalog. Disney Plus is a great value because for just \$6.99 a month or \$69.99 per year, you get an A-grade content lineup that includes every episode of The Simpsons (ever!), all marvel movies, and now a complete collection of Star Wars movies – plus the full Pixar canon. Disney Plus is available in a number of key markets, including the US, UK and Australia - and all three are getting the new Star Wars movie. Check out Disney Plus today. Today.
