Mecp study guide

Greetings! I arrive because I have a meeting this Saturday to pass the MECP Basic certification exam. It's a long story, but I had to sign up before I had the opportunity to really study at my preferred pace. Either way, I have no problem buying a guide and have even tried it online. However, arrival takes 2-3 days. I'd love to pay the full price, but I can't find a PDF edition or any ebook format really. Does anyone know where I can find the digital edition of the 3rd edition of the MECP Basic Study Guide???
