Contact us for further assistance. If you want to apply for a program or event failure, please fill out an online form. CRI has established a process for seeking applications from people who are interested in their work. CRI job fairs take place during the fall and spring semesters, as it is mentioned. During this time, positions will be posted on the Georgia Southern Human Resources web page with the Center for Student Employment (SEC). Applications are submitted and accepted only through the online submission process established by Human Resources. To find available jobs, use CRI in the title search box. CRI will require each applicant to submit a cover letter and resume in addition to the application form. We recommend that you read the job description and minimum requirements for each job before applying. There are no exceptions when accepting applications after the deadline, so you must apply by the deadline. The entire process takes approximately 8 weeks to complete and includes application screening, information meetings, skills tests, interviews and final selections. In addition to apply, you must register with a credit time of 6 hours or more. South.
