The New York State Education Department (NYSED) continues to support initiatives to promote student engagement, thus increasing student success, safety and wellness. Our social emotional learning materials support the priorities of the state's ESSA plan and support a positive school climate. Resources outline standards and frameworks for educators to implement social emotional learning practices in their schools and classrooms. Mental health education can help young people and their families and lead to positive decision-making and lifelong success. School safety indicates the safety of the school's environment based on reported incidents. Attendance rate What percentage of students attended school on the days the school was opened?
