Use of this application is under the application of the PlayFirst End User License Agreement: . What's new: Read more What seems like this is a game featuring the hospitality industry. You have the opportunity to be a waiter in a restaurant. Your job as a gamer is to make sure your customers are supplied to fill. That's Empire has all kinds of restaurants to choose from within the app and also tastes. Some characters include taking orders, collecting tips from satisfied customers, getting tips, and improving restaurant levels. This game has up to 7 levels of the game. It's a fun and exciting game because you have unlimited options and you can interact with a variety of customers. There are unique guests who have powerful features to unlock high levels. There are shops inside the Empire, but there are special features you should acquire, as well as something special to shop around. This is a social game that gives you a real-time approach to what is happening within a restaurant shopping mall. The interface is simple and user-friendly. Apk SpongeBob Restaurant Dash for Android app is licensed as freeware for this operating system. It is a casual category and is available to all software users as a free download. Play 7 fun-filled levels for free in SpongeBob Diner Dash! PlayFirst and Nickelodeon team up to give you dish flip fun in the hilariously outlandish world of SpongeBob SquarePants for both Android phones and tablets. Mr. Crax is expanding his krabi patty empire, one restaurant at a time. SpongeBob offers a wide range of fishy customers, as well as a variety of colorful Bikini Bottom restaurants. Tap the slide to send SpongeBob to the customer's table. Take orders, seat customers, collect big tips to upgrade your restaurant!
