10 ton porta power jack

© 1996-2014, Amazon.com, Inc. or its subsidiary Page 2Page 3Page 4 WARNING: Motor vehicles contain fuel, oils and liquids, battery inserts, terminals and related accessories containing lead and lead compounds and other chemicals known to the State of California to cause cancer, birth defects and other reproductive damage. These chemicals are found in vehicles, vehicle parts and accessories, both new and as replacements. As they serve, these vehicles generate used oil, waste fluids, fat, smoke and particles, all known to the state of California to cause cancer, birth defects, and reproductive damage. Tools: WARNING: Some dust created by power grinding, sawing, grinding, drilling and other construction activities includes chemicals that the State of California knows to cause cancer and birth defects or other reproductive damage. Some examples of these chemicals are: lead from lead-based paints, crystalline quartz from brick and cement and other masonry products, and arsenic and chromium from chemically treated lumber. Your risk from exposure to these chemicals varies, depending on how often you do this type of work. To reduce your exposure, work in a well-ventilated area and with approved safety equipment, such as dust masks specially designed to filter out microscopic particles. Electrical Cords WARNING: The wires in these products contain chemicals known to the state of California to cause cancer and birth defects or other reproductive damage. Wash hands after handling.
