They are pencilkids point-and-click puzzle solving Monkey GO Happy stars and they are back for another 2013 hooray for the Christmas game Monkey GO Happy Xmas Time. As you click around to interact and pick up items, you are looking for enough gifts to satisfy your capering mini-monkey horde. The game is well built, but as is the case with the last several installments of the series, very short, so don't wait more than five or ten minutes for the diversion at most. But listen... it puts you in the holiday spirit, and you can use the rest of your time to work out the current-peeking mechanisms! Play Monkey GO Happy Xmas Time Christmas I got in touch with our famous monkeys and you will help them find all the gifts for the little ones. Therefore, try to click on different objects and use them as the best you can. How fast can you go through the whole game? Introducing you to a family of surprisingly unhappy monkeys that desperately needs some Holiday Season cheer! Monkey Go Happy Christmas is a head-scratching, hidden object puzzle for fun loving gamers of all ages where you have to explore scenes in the winter woodland landscape and solve intricate point-and-click puzzles to find 12 lost Christmas-themed objects! Using your computer mouse as an important tool for your detective work, you must communicate with different places and objects within the game in order to reveal the mystery of well-hidden items (candy, baubles, presents, watches, and more...). Use your best sleuthing senses to try to see Picture, piece with clues and related-items, and make one of this teary-eyed monkey family jump to the delight of your success! Based on the hugely popular Monkey Go Happy series of problem-solving mini-game adventures, this is a fun brain teaser exercise with a cool festive season twist! A really curious mind and willingness to explore are the essential features needed here if you need to carefully and forensically examine every possible scene in order to engineer a solution to find all the hidden objects. Logical thinking, strategic planning skills, good memory and tenacity determination are also very important (You may have to retrace your steps if you find an interesting object). If you like playing Monkey Go Happy Christmas, see if you can find the original Monkey Go Happy game, as well as the other Monkey Go Happy sequel on our Learn4Good site. Happy problem solving and be sure to play with your family and friends this holiday season! How to play: Your ultimate goal is to make a member of the Monkey Family happy by finding all 12 lost items at Christmas. Choose your favorite monkey at the beginning of the game. Then, to turn your monkey into a sad frown upside down, you need to carefully examine all the click-able, interactive objects and areas inside the game. Using your computer mouse or touchpad, LEFT Click on something unusual or potentially useful. Starting with a wooden cabin, you first figure out how to escape (Clue: There is a key to the fireplace). From here you can navigate different scenes in the snowy landscape by clicking on the yellow arrows that appear at the limits of the game area. As you progress through the game, click on something unusual that you see. Some items may be hidden behind trees, underwater, in other cabins, etc. Some hidden objects can only be detected if you use other objects that you have picked up on the way. Continue the investigation until all 12 items are found. Tip: The mouse pointer shows the hand when it is hovering over something interesting. Enjoy this fun treat!
