Ja finance park answer key

Imagine a generation of young people equipped with knowledge to budget, save and invest. At the Ja Finance Family Garden, more than 20,000 eighth-graders from Broward and South Palm Beach counties learn each year how financial decisions will affect their lives. These include family health care expenses, real estate, home improvements, cars, insurance, entertainment, education, and the purchase of items such as clothing, furniture and groceries. Before visiting ja's Finance Park, students engage in a comprehensive curriculum that teaches them about finances, jobs, income, expenses, savings, and credit. This program helps students realize that their educational decisions affect their career choices and their potential income and quality of life. At the end of the semester, students visit ja financial park and put what they learned at work by managing a real-world-inspired personal budget based on local jobs in a simulated city. Students are guided by trained volunteers. Do you want to affect the success of our students? Volunteering at our JA Finance Park or donating to Junior Achievement comes from South Florida. Journal of Career Exploration Teacher training courses 2020-2021 Junior Eng Ning of South Florida encourages all teachers who are new or return to any of JA BizTown or JA Financial Park programs to attend one of our media training courses. We are excited to share our new and innovative resources available that will help enhance your e-learning adventure! Inspire the next generation with hope and perspective.
