A try on MSHSL winter and first week practice information can be found here. The current body must be in the file with the Activity Office and log on to Affinity before the family can register students for any activity that requires this form, physical is considered current for 3 years and must not expire during the enrollment season. New physical information, completed physical forms may be sent to the activity office by email physicals@isd624.org. Once paid, the suspension should come off automatically, free or reduced features: before the sale will appear on SmartSchoolK12, families must apply and be awarded free or reduced status for the upcoming school year. Please note that free/discounted subscriptions must be completed for each academic year. Please wait up to 10 days for this process to be completed once you submit your application. Additional information and online applications are available through the Nutrition Services page on the county website. In extinguished situations, parents can transport their children to/from an event by sending detailed requests by email to their coach. If a parent asks their child to be sent to/from an event by another adult, the parent's release form must be completed and returned to the activity director before permission is granted. In situations where the district provides transportation services, students are not allowed to drive to that event (form) All student athletes riding the shuttle bus after school must meet Mrs. Muckala in the activity office at the north campus, bring your student ID card to get a bus sticker. All MSHSL punished participants must meet the number of credits required in each semester to be declared academically eligible. Participants who do not meet the minimum credit requirements will be declared academic ineligible according to MSHSL Bylaw 108 (eligibility document), athletics and activities code of conduct. An important role in the academic, social and emotional growth of our students. Our goal is to provide a wide range of sports and activities opportunities for our students to provide improved attention and talent, students participating in the Minnesota State High School League (MSHSL) penalty program must comply with the MSHSL rules and regulations and board policies of the Lake White Bear Area School, as outlined in this code of conduct video.
