Monster Legends is a combination of strategy and RPG games that will appeal to fans of both genres. If you haven't come across this game so far and you've been in touch Games like Dragon City or Dragon Mania Legends, then you will definitely find yourself in this game. Monster Legends is a battle game and the plot is pretty simple. The player takes on the trainer's role of title monsters, and the game focuses on turn-based turn-based Collect new creatures and develop the combat skills of already possessed creatures. Monster Legends Breeding, Tips & GameplayA monster has its own abilities and elements that determine the strengths and weaknesses. Before the clash player must choose 3 monsters that will participate in the fight. Importantly, which samples the player chooses can determine the outcome of the battle, so it is very important that the player chooses the monsters with the right elements. The fight is turn-based and is very tactical. Certain types of attacks work more or less effectively, depending on the elements of the target. Buildings are another very important thing. There are buildings that serve as an incubator for eggs, in which samples hatch, other buildings are used to connect monsters, with which you create a monster with unique elements, and others work as a farm where food is obtained. As you can see, each of these types of buildings is very important, so it's worth improving them to achieve better results. Gems that speed up and facilitate the game can be very useful in developing your village. There are several ways to get gems, the easiest way is to buy them in the store, but if you want to get them for free, you can think of Monster Legends Hack with which you generate them in a fairly short time. Despite several years since its release, Monster Legends still offers very good graphics and is a very interesting proposition for these times. PvP fans will also be happy, as the game offers rankings, alliances and even team fights. Download your monster legends for free for Android and IOS, but it's worth noting that the game also offers shopping, among other things, premium currencies (gems) that are very useful during the game. how and where to enter Author: Solarka Published contact: The United States of America (U.S.), 228 Park Ave S, New York, NY 10003-1502, U.S. categories: GAMES CHEATS Monster Legends Hack Cheats Tool – For Android and iOS Monster Legends gems hack works with all iOS, Windows and Android mobile devices or with your ...
