Our story is that we believe that all students can learn and must learn at high levels of achievement. It is our duty to create an environment in the classroom that leads to such a high level of performance. We are confident that with our support and assistance, students can master challenging academic subjects, and we expect them to do so. We are ready to work collaboratively with colleagues, students, parents and the community to achieve this common educational purpose. 2019 - 2020 School Supply List 2019 - 2020 Forecast scan school calendar in Forest Lake talks video about recycling at Forest Lake Elementary School. It was made by girl scouts in the 1483rd Forces as part of the Silver Award in April 2018. It focuses on education; Please share what you learn about recycling with your friends and family. Together we can recycle!
