Search results are sorted by a combination of elements that provide a set of choices, depending on the search criteria. These factors are similar to determining which business to choose from the local Yellow Pages directory, such as its closeness to where to search, the specific service and product expertise it needs, and comprehensive business information to assess business suitability. The priority list, or list with featured website buttons, shows YP advertisers providing information about their business directly to help consumers make more informed purchasing decisions. YP advertisers receive a higher position in the default order of search results and may appear in the sponsor list at the top, side, or bottom of the search results page.
