Dr. morgan ent

My approach to patients is one of compassion and attention to detail. My aim is to ensure that patients are fully informed and receive the best possible care. Becoming a doctor is a dream come true for me and I hope to enjoy a long, meaningful relationship with my patients. My goal is to take care of my patients while they need it. I will make them as comfortable as possible and treat them with kindness, concern, and respect. I chose this special speciality because it gives me the balance between treating medical problems in the office environment and challenging surgical interventions. I am dual certified in ENT as well as Plastic & Facial Reconstruction Surgery, which allows me to better serve the wider needs of patients in terms of health and function, as well as in form, aesthetics and image itself. University of Education: University of Michigan, Ann Arbor, MI Medical Degree: University of Arizona College of Medicine, Tucson, AZ Internship: Department of Surgery, Boston University, Boston, Master of Residency: ENT/Head and Neck Surgery, University of South Florida, Tampa, FL Fellowship: Facial Plastic Surgery, Dr. Edward Farrior, Tampa, FL Board Certifications American Board of Otolaryngology Facial Plastic and Reconstructive Surgery Office Locations Clearwater Dunedin Facial Aesthetics Center Largo Compare with other Otolaryngology (Ear, Nose & Throat) SpecialistsCompare Dr. Morgan with our's Otolaryngology (Ear, Nose & Throat) SpecialistsCompare Dr. Morgan with our nearby Otolaryngology (Ear, Nose & Throat) Experts at Ochsner Medical Center Dr. H.
