Hey I was wondering if I have to watch all the Netflix shows alright or if I can just binge a character I like at the moment. Page 2 6 comments 26 commentsPages 2 26 comments So I just got done watching the Punisher and it felt like the middle of the story. In what order do I need to watch Marvel TV shows to make the most logical sense? 3 comments And should I see them in that order? Of course I'll see them all before Defenders. Page 2 15 comments Hi, So there are 3 seasons of Daredevil, 2 by Jessica Jones, 2 Luke Cage, 2 Ironlist, 1 Punisher and 1 of the defenders. (I think that's all?) I'm just wondering what order they should be seen in. Page 2 12 comments Sorry, this post has been removed by moderators of r/marvelstudios. I really don't want to see JJ2 and Iron fist, and I know all of those coming way before Daredevil Season 3. Can I jump to Daredevil? Page 2 14 comments I saw two seasons of Daredevil and a season of Jessica Jones. So I put them off and want to get back into them. I found something online saying which one to see them in and then I started Luke Cage because it said it's next. Seems fine as they refer to some things that happened at the end of Jessica Jones's Season 1 with Luke Cage. But I don't understand what happened between them. Then I'm missing something? Is it just not explained, or is it explained later? I don't remember Jessica Jones completely either. So can you tell me the order I should keep an eye on these to catch up? Also, assuming Jessica Jones Season 1 is pouring into Luke Cage and I'm not missing anything else, why doesn't Luke Cage have anything to do with Jessica Jones anymore? Why did he go to Harlem?
