Global History and Geography Study Resources Note to teachers and students about this regent transition test: When using the materials below to assist you in reviewing the transition to global history and regent geography on the test, focus on subjects in units 5-8 of the core social studies curriculum. These units are as follows: Unit

5: Age of the Revolution (1750-1914) Includes Scientific Revolution Unit 6: Half a Century of Crisis and Achievement (1900-1945) Unit 7: Twentieth Century Since 1945 Unit 8: Global Connections and Interactions When Using Test-Specific Questions From Recent Exams in New York State's Global History and Geography Refers to Multiple choice questions relate to question numbers: 1-5, 17-50 for actual subjects or DBQ to work with content that can be found within units 5-8 of the 1998 Core Corporate Studies Online Resource Curriculum for Students: NYS Department of Education Exam Archive – Find old management exams with answer keys to help with prep regents: Crash Course in World History – Watch short and interesting videos from Mr. Green at Khan Academy of World History – Listen to instructive podcasts for global review: Remedial Regents Prep.- An abbreviated, but comprehensive look at world history & geography: Have you forgotten your school textbook? Use this text based review: Short unit-focused review from Prentiss/Pearson Hall: Use the Prep app. For the Pearson test for your smartphone: online resources for teachers: Note: The scoring process and the use of U.S. history information See The socialist scoring process in social studies, PowerPoint, Slide 49 states this: In world history, can we rate responses to articles in which students wrote about the United States? Many issues in global history and Americans are intertwined. (Cold War, Middle East, Vietnam War, etc.) Not all connections will automatically include the use of information about the U.S. as part of an acceptable answer. An example of this can be found on the June 2011 Global History and Geography Article. You can find it online at: . Board members live review working group Part II & III collects resources for transitioning to global history and geography regis test teacher/guide resources for students to view and practice along with regents review 2.0 chapter. Text-based resources for teachers: Inspiration for adding and adapting your approach to teaching history: Archive The main source of history teaching: Big Think- World Vision Reputation to provide inspiration for specific topics: Smarter Every day- Wonders of the World All about Video: PBS Idea Channel Attention Catches Videos: TED Education Based TED Talks: Talks:
