Gwhs bell schedule 2019

Dear George Washington high school families and the community, welcome to the 2018-2019 school year! We are excited to return students on campus, filling our classrooms and card corridors and their enthusiasm for learning. George Washington High School's mission is to provide opportunities for students to become lifelong learners who think critically, strive to reach their full potential while maintaining mental and physical health. Washington High School students will grow to be resilient, productive and contributors to their communities. As your manager, I understand that our mission cannot be achieved without the support and cooperation of our families and community. The first day of school is Monday, August 20. If you are a parent/guardian of the next student in the ninth grade, please make sure to attend the student orientation on August 17. I would also like to mention each family to complete the SFUSD meal application by following the instructions in this package. Meal requests are important to Washington High School because much of our school's funding is determined by the number of meal requests offered. Students eligible for meal benefits can also qualify for other programs (i.e. scholarships, jobs, internships). High school is a critical and exciting period for the student and his family. We want our students to grow intellectually, creatively, culturally, physically and emotionally so that they can reach their full potential and be ready for whatever way of life they choose. In Washington, we accept the challenges of the future as we continue to take pride in and celebrate the past. I am honored to be the principal of George Washington High School. It is an honor to be truly part of a community where families, students, faculty and staff take care of each other and strive to build positive relationships that support academic and social growth. Feel free to contact me at 415-750-8400 or at saunderss1@sfusd.edu.I look forward to sharing your child's high school trip with you. Going Eagles!Ms. Susan SaundersPrincipal © 2018 George Washington High School600 - 32 Ave,San Francisco, CA 94121 (415) 750-8400 Phone | (415) 750-8417 Fax Overview of school data programs Contact Information Overview George Washington offers its students outstanding comprehensive education in a culturally rich environment. Students can choose from more than 100 course offers, with 52 medal sections and AP classes. Students also have the opportunity to benefit from a network of more than 50 university clubs, student groups and a full-fledged inter-school sports program, with 22 teams in 15 sports. In addition, Washington has an active Richmond Neighborhood Program, the Wellness Center, the Student Parent Teachers Association, and the Alumni Association. George Washington High School provides a learning environment that is Secure, promote high academic and ethical standards, and prepare all students to become successful lifelong learners in a multicultural global society. We believe that equity means not only equal access to school resources, but also appropriate support so that all students can benefit from all resources. We encourage our students to explore all academic opportunities. Our school mission is that every student at George Washington High School will be a lifelong learner who can critically think of a social conscience, pursuing his full potential while maintaining mental and physical health. Students will grow into flexible, productive and contributors to their communities. School-wide learning outcomes are in line with SFUSD 20205: Graduate Profile.
