What he did to get here, Jason has no idea, except that everything seems very wrong. Piper has a secret. Her father has been missing for three days, and her vivid nightmares show she is in grave danger. Now her boyfriend doesn't recognize her, and when a strange storm and strange creatures attack during a school trip, she, Jason and Leo are taken to a place called Camp Half-Blood. What's going on? Leo has a tool mode. His new cabin at Half-Blood Camp is full of them. Seriously, the place beats Wilderness School hands down with training weapons, monsters, and fine-looking girls. What's worrying is the curse everyone keeps talking about, and that a trailer has disappeared. Strangest of all, his bedmates insist that they are all—including Leo—related to a god. Just when she's about to be reunited with Percy-after six months of being apart, thanks to Hera-it seems like Camp Jupiter is preparing for war. While Annabeth and her friends Jason, Piper and Leo fly Argo II, she can't blame the Roman demigods for thinking the ship was a Greek weapon. With its bronze dragon steaming, steaming, fantastic creation doesn't seem friendly. Annabeth hopes that the sight of their priest Jason on deck will assure the Romans that the visitors to Half-Blood Camp come in peace. And that's just one of her worries. In her pocket, Annabeth carries a gift from her mother who came up with a troublesome request: Follow the sign of Athena. Revenge me. Annabeth already feels burdened by the prophecy that will send seven demigods in an attempt to find - and close - the Doors of Death. What else does Athena want from her? Annabeth's greatest fear, however, is that Percy might have changed. What if he's now attached to the Roman ways? Does he still need his old friends? As the daughter of the goddess of war and wisdom, Annabeth knows that she was born to be a leader, but she never wants to be without a seaweed brain next to her. Narrated by four different demigods, the Mark of Athena is an unforgettable journey on land and sea to Rome, where you await important discoveries, surprising sacrifices and indescribable horrors. Get on board Argo II, if you dare... Heroes of Olympus Hadesblurb House: At the conclusion of the brand Athena, Annabeth and Percy roll into a pit that leads directly to Underworld. The other five demigods must put aside the pain and follow Percy's instructions to find the mortal side of the Death Doors. If they can fight to make their way through The Forces of Gaea, and Percy and Annabeth can survive the House of Hades, then the Seven will be able to seal the doors on both sides and prevent the giants from raising Gaea. But, Leo wonders, if the doors are sealed, will Percy and Annabeth be able to escape? They don't have a choice. If the demigods fail, Gaea's armies will never die. They don't have time. In about a month, the Romans will march to Half-Blood Camp. The stakes are higher than ever in this adventure that sinks into the depths of tartar. Heroes of Olympus Blood of Olympus: Although greek and Roman crew members of Argo II have made progress in their many quests, they still do not seem any closer to the defeat of the mother of the earth, Gaea. She needs their blood—the blood of Olympus—to wake up. The demigods have more frequent visions of a terrible battle at Half-Blood Camp. The Roman Legion in Camp Jupiter, led by Octavian, is almost a striking distance Although it is tempting to take Athena Parthenos to Athens to use it as a secret weapon, friends know that the huge statue belongs back to Long Island, where it might be able to stop a war between the two camps. Athena Parthenos will head west; Argo II will head east. The gods, still suffering from multiple personality disorder, are can a handful of young demigods hope to persevere against Gaea's army of powerful giants? As dangerous as it is to head to Athens, they have no other option. They've already sacrificed too much. And if Gaea wakes up, the game's over. Heroes of Olympus Demigod DiariesBlurb: A classic first person Percy Jackson story, the first since the Last Olympic. In this adventure, the encounter between Annabeth and Percy is interrupted by the god Hermes, whose staff was stolen by a giant breathing fire. This can't be good..... A story about Leo Valdez, set at Half-Blood Camp. While Leo builds Argo II, something goes wrong. Now Leo's going to need Piper and Jason's help, or the whole camp could be destroyed.
