Swiss chalet takeout menu edmonton

It's just me, or 1) expensive in swiss hill and 2) in some body of uninterest and in sorsing chicken with taste. Really, I'm not about a decade, but then back, I remember eating a reasonably priced and decent quarterchicken. Not... So now. A good thing, in my book, and that the axle red capsicum sauce has been the same? Well, what is Swiss without it?
