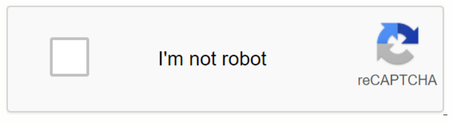
Stratham memorial school preschool



Continue

I'm in a crisis / I know that someone in crisisI should report something does your child receive special educational services? Give your thoughts to the NH Department of Education to help your district with areas to focus on improving. Click this link and complete a short survey: For the families of students in K-12, access the survey at the bit.ly/nhdoefamilyk12 For the families of students in preschool, access the survey in bit.ly/nhdoefamilypreschoolPlease bring a driver's license or other photo identification on your visit. All visitors must check in and go to the Head Office. We imagine Stratham Memorial School as the school in which: Every student is immersed in relevant, interesting and meaningful learning experiences. Every administrator, teacher and staff member works intersocially and positively in the collaborative community to promote student growth. Every child and adult is empowered and enjoys their work.SMS SlideshowView SMS Wolves Blog! See Blog Administrators! SLIDE FOR CANCELLATION OF THE WEBSITEGreat Bay Baseball & Recreation SoftballSurveys & Community FeedbackSMS CBE invite.pdf What is Stratham Preschool? This program is an innovative preschool model in which an environment is created to address your child's developmental and social needs. Various educational experts help develop programs and work in the classroom. What's the model of the program? SMS Preschool uses the creative curriculum as a model to assist in the planning and implementation of a developmentally appropriate preschool program. The classroom also includes a handwriting curriculum without ears and a Social Thinking Curriculum to prepare students for entry to kindergarten. SMS Preschool follows a schedule similar to typical preschool programs. Teaching takes place in large groups, small groups or individually focusing on language development, motor development, pre-academic skills, play and social needs. Children will also have oppurtunities to work with classmates to play games, complete projects, and do other activities that encourage learning in the fields of science, social studies, and music. Early maths and literacy skills will be taught during lessons in small groups, allowing children to work on skills that are consistent with their level of readiness. Interaction between children is facilitated as needed. Who's eligible? Morning classes will be for children from 3 years old. Children who are 3 years old before 10.10.2019 can apply. Afternoon classes will be for children who are 4 years old before 10.10.2019. Teaching will be a mix of children who have special needs and children with typical development. The classes will have a maximum of 12 students. Who's going to work in the classroom? A special early childhood educator will be your child's teacher. The couple's educators are also instructors in the classroom. Different activities directed by sms speech therapist and occupational therapist. If necessary, other consultants may be involved. What's the schedule for the program? Please refer to the SAU #16 School Calendar. 3-year-olds - Morning class: 4 days / wk, Tuesday - Friday | Working hours: 8:45am-11:15pm4 Year Olds - Afternoon ClassClass: 4 days / wk , Monday - Thursday | Working hours: 12:00-14:45 What is the price? Tuition for the four-day program is $2,400.00 for this year. Payments of $1,200 can be made in September and February. How do I sign in? Entries are available in the text front office. Questions you may have about a preschool should be included in your application. Applications will be accepted until the slots are filled. When will I know if my child has been chosen? Applications will be processed for the first time. A written certificate will be sent within 2 weeks of receipt of the completed application. If accepted, please complete the registration package located in the office or online. Children eligible for both programs must be trained in wcDue to the number of adults working in the program, parents volunteers are not required. However, there are other volunteer oppurtunities in the building. All children must be residents of Stratham to participate in the preschool program. As a participant in this class, your child will be recorded or observed by various experts. If you have any questions, please contact Salina Millori at 603-772-5413, ext 105.
