Apple iPhone SE (2020) User Manual and Review – iPhone SE (2020) is already powered by the same Bionic A13 SoC with iPhone 11 and iPhone 11 Pro Max. The state-of-the-art iPhone SE shape is very similar to the iPhone 8 for having a True Tone Retina HD display that is 4.7 inches and a home button combined with the Touch ID finger scan scanner in the bottom frame. Similar iPhone 8, iPhone SE 2020 is already water resistant with IP67 certification and has a glass-coated back and supports wireless charging. The second-generation iPhone SE 2020 was launched to replace the position of the iPhone 8 from a line of apple company smartphone products. With a very affordable sale price, iPhone SE 2020 is only priced for \$399. In the camera sector, iPhone SE (2020) only has a single camera on the back that has a resolution of 12MP (f1.8) that can record 4K 60 FPS video and also take photos in portrait mode. On the front, the iPhone SE relies solely on a FaceTime camera that only has a resolution of 7MP. iPhone SE is powered by an 18-watt fast charging feature via a trusted lightning cable capable of charging up to 50 percent in just 30 minutes. Apple will soon open a pre-order session of the iPhone SE on April 17, while shipping will be held on April 24. → DOWNLOAD MANUAL HERE ← (IOS 13.5) → SEARCH HERE FOR MORE SUPPORT ← Unterstützte iPhone-Modelle Neue Funktionen en iOS 14 Konfiguration und erste Schritte Verwenden des Timers oder der Stoppuhr Verwenden des iPhone mit iPad, iPod Touch, Mac und PC Sicherheit und Datenschutz Neustarten, Aktualisieren, Zurücksetzen und Wiederherstellen Sicherheit, Handhabung und Support Vielen Dank für Ihre Rückmeldung, Apple Mac iPad iPhone Watch TV Music Support Apple Mac iPhone Watch TV Music Support Apple Mac iPad Watch TV Music Support Apple iPhone SE (2020) User Manual (PDF) / User's Guide Download Apple iPhone SE Increasingly Attack Rumors Release Cheap Cheap i.s. iphone 9 on the Internet. This time, it blows news that the iPhone 9 will have three colors and internal memory. I.IPhone 9 or iPhone SE 2. Based on the new information learned 9to5mac, Apple will only name its entry-level model with the title iPhone SE while referring to the hardware as version 2020. Possible names of the iPhone SE 2020 are selected. In addition, 9to5mac will reform that the latest iPhone will have three color variants i.e. white, black and red. Apple also has five cases of iPhone SE available with color options: white silicone black silicone, red skin, black leather and dark blue skin. Smartphone supply chain analyst Ming-Chi Kuo, who reported this phone option will bring three variants of internal memory capacity of 64GB, 128GB and 256GB. Also reported last year that Apple plans to block the price of this new model from US\$399. 9to5Mac has a separate source earlier this week that retailers were preparing to start selling for a new iPhone facing next week. If true, then this is in line with YouTuber Jon Prosser's prediction via his Twitter account. It was revealed at Apple's internal meetings to temporarily decide to announce the iPhone 9 on April 15 and its delivery from April 22. He also stressed that this decision is temporary and may still change due to the global conditions facing the Covid-19 virus outbreak, as reported from the GSM Arena on Thursday (2/4/2020). In addition, another leak appears on the iPhone 9. The Apple Insider reported a few days ago, retail company Best Buy has just gained a new iPhone case action that has not been announced. This case for the iPhone is 4.7 inches in size. Size.
