Part 1 of Rainwish's Story Language: English words: 4,182 Chapters: 6/52 Kudos: 4 Hits: 49 A decade has passed since the original six Alphas died, whether at war or through natural causes. Six new animals took their place, chosen by a board established by the original six before they passed. Sagitari, the new wolf Alpha, differs from her other five companions. She doesn't have her own Alpha stone like them. But what eats away from her most of all is her fault over past mistakes. She couldn't save her best friend of the phantoms. As it turns out, her best friend is not killed, but subject to a lot far worse than death. Nearly two decades of their life, spending wandering unknown countries, desperately trying to find a way home. They managed to get back, but now they have to read just after they've been away for so long. Maybe it's Sagitari's second chance to help them, and her best friend's second chance to build a new life. What is it, Liza? Peak muttered, experienced. Are you here to apologise to me on behalf of Greely? Liza stopped in front of the old Zios statue. She sat in front of it and packed her feet on the mossy ground next to her and told Peck movement to sit. She sat next to Liza and anxiously pped her foot. Well? Why have you taken me here? Liza sighs. She looked at Peck solemnly. I have set you aside not only to apologise on behalf of Greely, but also to explain to you the reason behind his infaille and mood behaviour. Peck groaned dramatically. Well? What is his agreement? There is much more to Greetings than complying with the eye. Liza calmly informed her. ANYWAY, LET'S GET RIGHT IN THE NEWS! Selling items: Okay, it's (hopefully) old news, but Skorm is banned from selling items. I'm not sure where I stand by this because I used to sell and buy items here. The difference between Skorm and my sale items is that Skorm was selling items for actual currency while I sold it for points (Of course, points are not actual currency considered they can't be exchanged for cash—unless you buy it from the store). Why should it make a difference? Due to a simple phrase (which should be fairly self-explanatory...): Skorm was virtually stealing money from Ajhg (regardless of Ajhg spending time Zanysword AJ Tips N' Tricks N' Tricks: Den Shops Welp, welcome to Lui's AJ Tips N' Tricks! If you don't know what AJ stands for, it means Animal Jam, a game for kids (and teenagers too apparently) meant for education on wildlife and has since grown up with trade, adventures and other fun things! If you don't know the game, this series is not for you, if you played the game or play it, welcome! Here I teach you things I know of certain topics in Animal Jam. I have since late 2010 (Around September I believe), and know a little about the game (though I still have a noob on some things, so forgive me as I get some information wrong!). This series is more of things I've learned that work for me, so don't take this advice as it is holy and must be strictly followed! Just suggestions and tips I've learned. I was so low on energy, I could hardly succeed in snacking a proper thought together. My stomach grew, but I didn't move an inch. Before I knew this, I sank into dreamless sleep. The next morning, however, was particularly nice. Granted I was still tired, but I managed to sit in bed when my alarm watch pulled me out of sleep. I would start to admire the sunlight by admiring my window, it was before my stomach grew furious again, and reminded me that I needed food to function. So with a sigh, I pulled the blankets off me and dove out of my room and down the hall. The sun had just risen above the horizon when I heard a gentle thin on my front door. I opened it to find a rolled-up bunch of papers on my doorstep. The latest edition of The Jamaa Journal. I read it quietly in a lounge chair while I was spiked on my coffee. Mysterious Creepypaste: The Black Fox – Notice: This story is based on Back up and main account. Be warned, there will be gore in this story.... Lieutenant walks around in Jamaa, noting that the sun goes down. When it was night, he heard stories that there was a black fox pewing around Jamaa's territories. So, that's why everyone locked up their dens, to keep her away. Now, he noticed two minutes later, the sun went down. So he tried to do the same as everyone else in Jamaah. But... he knew little about everything in Jamaah. He didn't know how to close his den. He also heard that when someone does not close their dens, the black fox will appear behind and bite life out of her victims. So he knew he was going to be killed. But who knows? All of a sudden, he noticed his buddy, Rosy, hadn't arrived for the last two months, and began to get a little crawled out when he saw her. She was a black fox, with each of her items a black color. The little garden of Liza's began to rot with everything she breathed, so that's why they didn't breathe, she thought. Slowly she got her way out into the open street, she walked, to make sure to stay in the shadows. It began to get harder when she got closer to the center. She saw a large crowd of animals all the shapes and sizes, some wearing nails and hookers, some wore the necklace, one was dressed as a red and black wolf for Halloween. She slapped silently, no matter how many times she accidentally pushed someone, they wouldn't take any knowledge of her. Finally she made it out, only ended she was before, then she saw something that usually she would have ignored, but at the moment would be a savior, a phantom forward! She rushed over to and jumped in, felt a feeling when she hit the Queen of the phantoms Chapter 3 She arrived in Jamma township as night, she rushed to Liza's hut and knocked on the door. It opened, Liza and Greely's face appeared. What are you doing here Snow? Your fur is grey, your eyes are purple, you wear a garment and you smell like phantoms! were you? Liza shouted. I got lost in the forest after the battle Snow stumbled. Still, do not explain your strange look and phantom smell Greely declares. Liza moved to Snow and slapped the door. All the alphas are to collect a table. Graham told us the consequences of a Sorry if you were in alliance with the phantoms He grew. Snow quivered I tell you I am lost in the forest after the battle She repeats. Liza shot her on a chair. Tell us honestly now, were you!? Sir Gilbert shouted. She was born a few days after the phantom king was born. She grew up in a half destroyed world, when the plants were green again, and the rivers flowed clearly, and the sky was bright and fresh, she was confused. After a life of dead and lifeless land, she was afraid of a lush and vibrant world. Her parents didn't know these conditions had made her work, but even so they made her a lot. She was born in the conditions in which a phantom would be born, a lifeless struggling to survive. Survive! She was born the first thing she saw was not her mother, but a phantom hiding in the grass, no one else saw it spying in the hospital. The phantoms kept pace with the number of animals and the heart-tisses that restored the alphas, making sure that the population was not too big to catch them up, and when there were for many animals, they would catabogus catabogus
