Memorial middle school south portland me

Want more information about the Hybrid Plan Information Memorial's Hybrid Yellow Plan? Review this student and family updates and materials from our virtual open house! For more information on how to participate in homes for rent and sale near this school, this school is rated below the school quality average compared to other schools in Maine. Here, students are making an average year-over-year improvement in their studies. The school has below-average results on how well it serves disadvantaged students, and students are below average on the state exams. The school's students perform on average from one grade to the next, compared to students at other schools in the state. Average progress with low test scores means that students start at a low point, but are progressing at about the same rate as their peers in other schools in the state. The school's parent tip test scores fall below the state average. This suggests that most students of this school may not perform at the grade level. Parent tips notice missing or confusing something? Students who are disadvantaged in this school may fall far behind other students in the state, and this school may have a large achievement gap. Parent Tips Students Results by low-income and underprivileged students write school reviews for 2 memorial middle schools for all other students on the school environment page and do not like to tell people what you like or celebrate about junior high school...
