With the Callan method, you do not learn by studying (remembering vocabulary lists, grammar rules, etc.), but by communicating and interacting with native speakers. You talk and listen all the time, completely immersed in the language. But it's not just small talk! Our lessons are based on the well-organized introduction of new vocabulary and grammar, systematic review, continuous and immediate correction. The lessons are short, intense and fast-paced, so you can easily fit them into your busy schedule. Every minute of each lesson passes effectively, actively learning the language you want to speak. Therefore, the Callan method is not only fast and fun, but also effective. Con el Método Callan no aprenders estudiando (memorizando vocabulario, reglas gramaticales, etc.), sino comunic-ndote e interactuando con profesores nativos. Estars hablando y escuchando en todo momento, experimentado una inmersion total en el idioma . Pero well that trata selo de una charla! Nuestras clases it basan en un aprendizaje ordenado del vocabulario y la gram-tica; reion sistem-tica y la correccion inmediata y standard. Las clases son cortas, intensas y de ritmo rápido, por lo que podrás encajarlas facilmente en tu apretada agenda. Cada minuto de la clase se utiliza de manera eficiente, aprendiendo activamente el idioma que desea hablar. Razon por la cuela, el Método Callan no selo es rápido y divertido, sino también efectivo. The goal of this site is to share, spread my classes and homework to students who have been very easily absent. DISTANCE LEARNING Sign up for Google Classroom in French 1.
