MEGA Apps Download for Windows PC 7.8,10,XP. MEGA Apps Download for PC Full Version.Download MEGA Apps for Windows PC 7,8,10,XP. MEGA provides user-controlled encrypted cloud storage and chat via standard web browsers, as well as dedicated applications for mobile devices. Unlike other cloud storage providers, your data is encrypted and decrypted only by your customer devices and never by us. Download your files from your smartphone or tablet, then search, store, download, broadcast, view, share, rename or delete your files anytime, from any device, anywhere. Share folders with your contacts and see their updates in real time. The encryption process means that we cannot access or reset your password so you need to remember it (unless you have your recovery key backed up) or you will lose access to your stored files. The end-to-end encrypted MEGA video chat allows total privacy and has been available through the browser since 2016. It has been extended to our mobile app, with chat history accessible on multiple devices. Users can also easily add files to a chat from their MEGA cloud player. MEGA offers generous 50GB of free storage for all registered users with bonus achievements, and offers paid plans with much higher limits: PRO LITE subscription: 4.99 euros per month or 49.99 euros per year gives you 200GB of storage space and 1TB of subscription transfer quota month.PRO I: 9.99 euros per month or 99.99 euros per year gives you 1TB of storage space and 2TB of transfer quota by subscription month.PRO II: €19.99 per month or €199.99 per year gives you 4TB of storage space and 8TB of subscription transfer quota month.PRO III: €29.99 per month or €299.99 per year gives you 8TB of storage space and 16TB of transfer quota per month. Subscriptions are automatically renewed for successive subscription periods of the same duration and price as the original period chosen. To manage your subscriptions, simply click on your handset's Play Store icon, log in with your Google ID (if you haven't already), and click on the MEGA app. You can manage your subscription there.
