All your puzzles can be accessed from the 'My Puzzles' page, which you can access using the navigation bar at the top when you log in. Please log in using the same email address that you used when you created your puzzle. How do I print? There is a 'Make Able to Print' button at the top left of your puzzle that will allow you to sign up for a plan or buy a single puzzle. When paid, the button becomes a 'preview + publish' button to put your puzzle in a format that can be printed or edited online. When you publish your puzzle, you can click on the print icon or use the print function of your browser. It looks strange when typing. See the 'How do I print' section above for more information99% of other printing problems that need to be done with printer settings, rather than trying to play with printer settings, which can be time-consuming and frustrating, there are a couple solutions that you can try. You can try typing from another browser because of the different browsers. There are different default print settings. Alternatively, you can try saving it as a PDF (next to the print icon) and printing it. We invest in building a number of special features that free websites can't offer: the ability to automatically or manually add your puzzle words, save as you go to solve puzzles, the ability to access your puzzles from any computer, uncluttered and ad-free interface, the ability for friends and colleagues to solve your puzzles online and quick responses to report problems. Hobbyist Crossword is the lowest price service we found with these features and is designed for those who are not satisfied with what a free site can provide. We're sorry you thought hobbyist free crossword puzzles had to be destroyed. We constantly try to provide a clear and straightforward user experience, and we do not try to hide the price: in front of you make your puzzle, the price is shown in the overview in the top left (before you log in) below the 'Make printable' button (after you log in). In the FAQ below the table and on the tour, unfortunately we have limited control. So if they show Hobbyist Crossword when someone searches for a free site, we can't do anything about that it says there is no account with my email. First, check to see if you're using a different email address to create your account. Your login email address is the email address you Another way, it is possible there is a typo in your email when you create your account. If so, report the issue below and enter the last four digits and numbers on the card you used when you registered. We'll use this information to track your account. I was asked to pay a second. If you are a member of Crossword Hobbyist and are still being asked for payment, then you may accidentally create a second account. Your paid account will have the email address you received confirming your subscription. If you have never received such an email or still can't find your paid account, report the issue below and specify the last four digits and digits on the card you used when you registered. We'll use this information to track your account. My password reset isn't working. So, please read the information below carefully. If you haven't set up a password reset email, check your spam folder. If you have a password reset email but the password is not accepted, make sure you use the latest password reset email: sometimes people will press the button twice, and only the second password will work. Make sure you copy the paste password, don't get a space on the outside, or if you're typing it, keep in mind that it has a case-sensitive case, and the lower case L can look like number 1 etc. how do I undo it? You can unsubscribe from the My Account page, which you can access using the navigation bar at the top when you log in. A support agent cannot unsubscribe on your behalf. Not all my words are in my puzzle. When you press the 'Arrange' button, our algorithm will try to arrange all your words in the table and will move the words around to try to fit the words as much as possible. That said, different browsers print in slightly different formats, so you can try using 'Print Preview' using different browsers (or try using pdf buttons) to see if you like how that looks better. I don't hear from you. If it's a few days and you haven't heard from us, it's possible that we sent an email that didn't reach you. Check your spam folder, and keep in mind that some school email systems block emails from non-school email addresses. Try Another email address if you think our email address to you will be blocked. The answer takes about a day. Try the quick answers above for faster resolution. Your email address: Issue: Issue:
