Amazing grace is one of the most belonged hymns of all time. It is easy to play on the recorder once you know how to hold the instrument and what notes you need. Learn both of these things and you'll play Amazing Grace in minutes. Hold the recorder correctly. Place your left thumb on the thumb hole (single hole behind the recorder) and your first three fingers left hand on the top three holes on the front. Then put the first three fingers of your right hand over the next three holes on the front, with your thumb resting behind the instrument comfortably. Hold the instrument and close the hole using your finger pads. You should hold the recorder at about an angle of 45 degrees. Place the mouthpiece of the recorder just above your bottom lip and let your upper lip come to rest at the top of the mouth. Mouthpiece should not be very far away in your mouth- you should be able to touch it with your tongue but the mouthpiece cannot rest in the tongue in the mouth. A very slow blow-up is not much air needed for this instrument. Find out the following notes and fingers are notes in Amazing Grace: D low: right hand (RH) = thumb, 1, 2, 3; left hand (LH) = 1, 2, 3 G: RH = thumb, 1, 2, 3 B: RH = thumb, 1 A: RH = thumb, 1, 2 E: RH = thumb, 1, 2, 3; LH = 1, 2 height D: RH = 2 (no thumbs) Practices shift from different notes until the fingers are comfortable for you. Review words to Amazing Grace to get ready play the song. Play the first line (Amazing Grace, how sweet the sound is) using the following notes: low D, G, B, G, B, A, G, E, low D Play the second line (that is (it wretch like me) uses the following notes: low D, G, B, G, B, A, B, high D Play third line (I once lost but now found) using the following notes: B, high D, B, high D, B, low D, E, low D Play last line (is blind but now I see) using the following notes : low D, G, B, , B, A, G Tips If you get as high as you try to play, you might blow too hard or have too much mouthpiece in your mouth. Reduce the amount of air you send through the instrument and try to pull the mouthpiece a little. This will also help with intonation problems. Warning Do not play the recorder right next to someone's ear. Pitches can be quite devastating and putting a recorder close to someone's ear while playing can result in pain. 'Twas grace that teaches my heart to be afraid, And bless my fear of being relieved; How precious the blessing appeared the Hours that I first believed. Through many dangers, nails and snacks, I have come; 'Tis grace hath brought me safe so far, And grace would take me home. God has promised me, His Word of Hope is safe; He will Shield and My Part, As long as life is endless. Yes, when this meat and heart will fail, And mortal life will erupt, I will have, in veiled, life of joy and peace. Earth will soon be dissolved like snow, sunset to shine; But God, who calls me here below, Will forever be me. When we had been there ten thousand years old, Bright shone as the sun, We were no less days to hold God's praise Than when we first started.
