Naruto bleach harem fanfiction

AN: What's going on for everyone! You know who this and major are shouting at kingDon himself, Saito Uzumaki for letting me embrace this story. Now, then ... If any of you remember Saito Uzumaki's one-shot collection, it's one of them. Aka, Kitsune Hollow. This chapter will be exactly like the one saito did, but I added a few things of my own. Yes, I have permission from Saito so don't get any idea of me flying... Period! For all those who have not seen this story, I'll tell you that it's content:Godlike Naruto (He's a god here, I'm not kidding)Semi-Dark Naruto (My first time trying this, I don't know if I can do it)His harem:KoruhimeMei TerumiTia HarribelNelief Tu OldeschwanckMila RoseSoifonAnko MitarashiTayuyaKushinaRangiku MatsumotoRetsu UonohanaKonanTemariKarinMomo HinamoriTsunade SenjuYoruichiAnyways, enough talk, ON HISTORY! XXXXXXXXXXXXXXXC is almost finished. Naruto said as he looked into the lying eye of the Juubi.Naruto was facing the Juubi who used to me Madara Uchiha, before he exploded of course. Somehow Madara was able to seal the Juubi in himself at the last moment, but he underestimated the first bijuu as after 30 seconds of having to seal the juubi himself, he immediately went ka-boom with Juubi re-emerging and know standing in front of our blond hero Uzumaki. Here's Naruto Uzumaki in his blatant nine-tailed fox coat in the unique eye of the gigantic ten-tailed biju before throwing all his bravery for one last fight to save the world. Thanks to Itachi, the army of the dead has returned to rest but not without cost. Before the original death of Madara Uchiha, Mei Terumi the Godaime Mizukage died with Anko Mitarashi trying the hardest to fight alongside their only true love Naruto, even with Anko having to lose almost all his Kabuto strength by extracting the curse seals the power of her. Naruto activated his new Rinnegan which was granted by Nagato during the time he fought it for the first time. Maybe I won't be able to kill you like that. But if I die, so do you! Naruto screamed as he charged to juubi.This the end of the 4th Great Shinobi War, ended. An hour ago. An hour after the 4 kages and others surrounded Naruto who was on the ground looking at the moon. He had a smile on his face before closing his eyes to see a dark blue-haired girl smiling at him.Soon, Soi-chan. Soon.

Naruto thought how he gave his last dying breath. The kage around him bowed his head while Tsunade wept like Hinata and others. Naruto opened his eyes to see that he was standing above his corpse. Looking at his chest, he saw that there was a link of chains. What is it that these things? How do I get it off! Naruto asked as he began to shoot her, but he did cause her pain. Ah! Naruto screamed. Don't do it again. Naruto thought. He looked around and saw the people around his body. It's time. A voice said. Naruto Naruto a brow as he heard another voice. I thought he would never die. It was the voice of a woman. Hey? Naruto asked. You bastard. It's your fault... Sasuke-kun. Naruto looked confused who was Sakura's voice. What's going on? Naruto asked. You can hear Na-ru-to-kun thoughts there. A female voice purrs. Hey! Who's there? Naruto asked.'He was a good tool for Konoha. Winning the war. Now it's useless. A male voice said. Naruto tried to look for the person, but could not. Who would have thought that such a loser would win this war? I don't care. Once a loser always a loser. It was Neji's voice. What is going on? Why can I hear thoughts there? Naruto asked. Because I can hear thoughts there that have allowed you to hear thoughts there as well. Remember Naruto-kun, I see, and I've seen it all. I know everything about this earth. The same female voice said. What are you talking about? Who are you? Naruto demanded. Still haven't figured it out? It's me Naruto-kun... The Shinju... The Juubi. She said. J-Juubi? Are you a woman? Naruto asked. Yes, it's true. Did you think I was a man? Juubi asked. Well yes, I mean all your other biju apart from Nibi were men so I thought.... IT DOESN'T MATTER WHAT YOU THOUGHT! Juubi screamed. ... Never, and Naruto never means stealing his catch phrases he got, Dattebayo? Naruto said he still heard their voices. I'm sorry Naru-kun it was just too much fun (laughs). In any case, it's a way to get back on track. What does it feel like? Juubi asked. What does it feel like? Naruto asked. What's it like to have the very people you gave your everything and your life to say such nasty things? Loser, failure, dead weight, useless. Juubi asked. It... It hurts. He's hurting my chest. Naruto said sadly. I know it does Naru-kun. I'm sorry, but that's what or rather how they feel. All humans are like that. They are humans so weak-minded, seeing only black and white. It's been like this since the dawn of time. Juubi said. W-wait! Kurama! Where are Kurama and the others? Naruto asked. Kurama is asleep now. Like all the other Bijus. Juubi said. Oh... All right. But why are you talking to me? I sealed you. Shouldn't you hate me... or something? Naruto nervously asked what he said could happen now, and in his mind, nothing prevented the Juubi from eating it whole now because he could exactly use chakra to defend himself from being dead.'AHAHAHA!' Juubi laughed. Naruto didn't know why, but he liked to hear her laugh. Do you hate it? Oooooh I don't hate you If anything ... (inner smiles) I love you. I've seen your whole life, except for one thing. Juubi said. What is it? Naruto asked with surprise. The only thing I didn't see was a role in your life. You were six, I think. All I remember is someone with a strange aura to come. When they opened a door, they left it open where you jumped away from the villagers. Juubi Juubi Juubi met my first friend ... Self-fon. I don't know how long it's been, but I bet she's already grown up. Heh Naruto smiled. Why doesn't hokage burn his body? Naruto heard. He looked at them all with sad eyes. Am I not missed at all? Don't I want to say anything? Naruto asked not to see the links on his channels being gnawed.'Tell me, Naruto-kun, why did you try so hard? From the beginning, I mean' Juubi asked. I tried to get their attention. T-to be recognized! Naruto said. Naruto-kun. Do you want to suffer? Forever to be hated? To be known as weak? Juubi asked. No! I want to prove to them that I'm strong! That I can handle anything! Naruto said. Then ripped off the chains. I know it's going to hurt, but it's going to be the first step to power... Real Power this time ... Arigato (Thanks) Kaguya-sama' Juubi said with the last part being something she thought about her own. Naruto was silent. What for... Why are you helping me? Naruto asked.

Because ... (smiles warmly) Because I care about you Naruto-kun. I love you and only you. You're my first love. Juubi said. Naruto fell silent again, but was surprised to hear Juubi's confession inwardly. You... Will you stay with me? Naruto asked. Always by your side. Juubi said. And you say you know everything about me right? Naruto asked. Yeah! Juubi said happily. Okay then ... Am I a virgin? Naruto asked. No. You lost your virginity in the name of Godaime Mizukage. someone you cared deeply about you in your world. Then you fucked your mother. Kushina, foolish when you met her in your mind landscape. I'm sure her real self is still a mess right now. Hehehehe! Juubi replied. I guess you know everything. Okay Juubi-chan. Tell me all about you. It seems fair. Naruto smiled. Mr. Kurohime. She said. Hey? Naruto asked confused. My real name. Is Kurohime. Juubi said. Well, it's nice to meet you Kuro-chan! I'm Naruto Uzumaki! Future destroyer of the elemental nations! Naruto smiled. Kurohime laughs at him and begins to tell Naruto everything about herself... Timeskip, Soul society What is it? Sosuke Aizen asked calmly. I told you! I'm not leaving Rukia! Renji Aburai said. The two with Gin Ichimaru and Kaname Tosen stood at the executioner hill. In the bridal style of Renji's arm was Rukia Kuchiki. I refuse to let her go. Renji told Aizen blatantly. All right then. Aizen said with a calm smile. Gin got his hands on his Zanpakuto, but was arrested by Aizen. It won't be nescarry gin. Aizen said as he walked forward. You are very stubborn Renji to get up when I have you I have no choice. But I'm going to take your feelings into consideration. And I'll let you have your way. Aizen said, always walk towards them and drew his sword. She can stay in your arms, the rest of you are going. Aizen said he was swinging his sword. Blood spilled on the ground as Rukia looked at Renji with concern. Worry. She called. My God. Aizen said. Renji held Rukia in one arm while the other bled and held his sword. I can see that your defensive abilities have grown Renji Aburai. I am pleased to see that you have continued to progress. But I hope you won't fight too long. It's hard for me to control my power. It is difficult to walk on ants without crushing them. And as a former superior, I'd rather not live without me. So you don't think killing her was an act of mercy? Aizen asked shocking renji. Still... What I said is true. I didn't want to kill her myself. That's why I had all the trouble for Izuru and Toshiro. But it didn't happen. So I had no choice. I had to finish it myself. Aizen explained. Renji cried. So Momo and Izuru, were all just puppets in your twisted plan! Renji screamed. And so are you, Renji. Aizen said as he looked at Renji's blatant eyes. I see. I don't know who the monster really is in front of me, but it's not the Aizen I knew. And I don't know why you want it so bad! But I'll never give you Rukia! Even if it costs me my life! Renji said to hold Rukia closer. Hn. The Aizen you knew, was a mask. It was all part of the plan. Aizen said. Renji growled and jumped in the air. Roar! Zabimaru! Renji rang as his sword changed to a Shikai and shot Aizen. Shikai eh? Aizen smiled as he held his sword and blocked the attack. Your probably at your limit. But that won't help you. Aizen said he deflected it. That's what you think! Renji said to throw it at Aizen. It's silly. Aizen said to stop him with his palm. The three of you, I always thought you would be the most annoying. And I was right. Aizen said to break the sword to pieces. Renji gasped before the blood spit out his back. Renji! Rukia called as he fell forward in front of Aizen. I'm going to give you one last chance. Ez Rukia and get out of here. Aizen looked. He's going to do it Aizen-Taichou! I'll go with you if you just want to leave him alone! Rukia begged. Shut up Rukia. I will not! Renji murmured. Renji no! Rukia said. I won't let him have you, Rukia. Did you think I'd abandon him? Are you so stupid? Renji asked. So be it. Aizen shrugged. Too bad. Aizen said about to drop its blade when it was blocked by two blades. A black blade and a silver blade. N-Namikaze-Fukutaichou! Ichigo! Renji said. Aizen looked at the two males next to him. On his left was Ichigo Kurosaki still in Bankai. On his right was vice-captain of the 2nd division, Minato Namikaze, better like Konoha's yondaime hokage. What's going on Renji? The way your squatting down makes me think you about to give up Rukia. Ichigo smiles. Minato. I expect the yellow flash to be faster. Aizen said he didn't know Ichigo. What is the meaning of this Aizen? Minato looked. Hn. Aizen growled as Minato pushed back Aizen's blade allowing Ichigo and Renji to go back, as well as himself. Ichigo. Renji called.

Yeah? The teenager asked. I'm sorry you had to come. Renji said. What happened to you? Ichigo asked. Hey? Renji then asked that Ichigo look at him comically. All you had to do was carry Rukia and look at you. Either she gained a lot of weight or your weak and all beaten. Ichigo said to shake Renji's eye. Yes? Well look who's talking! Instead of coming here, you should have gone back to bed. Renji pulled back. You had a lot of courage to talk like that to the guy who saved your ass! Ichigo replied. I was going to thank you, you idiot, but I'm not going now! Renji said. The two stopped arguing as Rukia pulled his head off Renji's chest and watched him while trying to catch his breath. You idiot! Rukia said to give him an uppercut. Do you think I'm trying to hold a new world record to hold my breath? She ran. Hey, that's good! Focus! Minato barked by making them watch him and then to Aizen. Well, someone is not in a good mood. Gin smiles. Shut up the Gin. I expected you to help Aizen, but you Kaname? Minato looked. It's about justice. Kaname said. Minato shook his head. Renji. Minato called. Yes? Renji asked. You think you have enough energy to escape? Minato asked. I've got enough to stay in the fight. Renji replied. No! You have to get Rukia out of here. Ryoka! Go with him. Minato ordered. Sorry, no can do. There's no point in us running away. Even if you're the yellow flash. Renji said. It's a Renji order! Minato screamed. Zabimaru may be broken, but he still has a few surprises left! We just need to slow it down to escape. Renji said. Minato growled with annoyance. Who needs a Plan B? If we join forces in battle, I'm sure we can take this guy. Ichigo smiles. Oh my God, such arrogance. Gin laughed. Renji walked to the side, making room between the two. I can only use this technique once. But if it connects, you open it wide for a second or two. You and Namikaze must hit him at this opening. Renji said. It's true. Ichigo nodded. It's going to hurt Zabimaru a little bit, but you hold on to it.' Renji thought. Go ahead! Zabimaru! Renji said by slamming his blade on the ground. Ika Zakoll! (?) Renji screamed as the red energy buzzed around him. Zabimaru's broken pieces floated above Aizen making a gin step forward. Minato looked with a little fear that the pieces turned to Aizen.Minato and Ichigo took this chance and charged aizen. GRAAH! Ichigo roared as he swung at Aizen at the same time Minato did, but but were shocked when Aizen blocked them. With Ichigo, a finger. With Minato, his Zanpakuto.Aizen just smiled and exploited Zangetsu. When this happened, blood broke out in Ichigo and Minato. Hm. Aizen hummed before fading off the site and behind Renji. That's when the blood rained from Renji's shoulder. Minato, Ichigo and Renji fell as Aizen walked towards Rukia who could not move at all. Get up, Rukia Kuchiki. Aizen said, Rukia looked with broad eyes filled with fear. Grabbing his necklace, he lifted it up. Oh, it seems that my spiritual pressure has made your body go limping. Aizen said before turning to Ichigo that was blatant and breathless. Your endurance is incredible, but your spine is not connected to your body. Aizen said he was taking his sword. You should stand still. In any case, you have each served your purpose. Your work in all this is done now. Aizen said. Is our work done? Ichigo asked for more blatantly more difficult. That's right. I knew you were alive. I even knew where you were. I knew you'd be coming to the western district of Rukon. That's why I saw the security there. Squad members stationed at the door. I asked Gin to go too, in case something went wrong. I lowered the wall around Sereitei just after you arrived and I had squads 3 and 9 at the door. I knew that the only way to enter would be the cannon of Kukaku Shiba. A very flashy entry that everyone would notice, a bold approach. Aizen explained. It helped you get the captains through. As a result, the eyes of all the soul reapers were upon you. The perfect diversion. Your actions and the troubles you caused were actually quite impressive. As a result, there wasn't much fuss at all about me when I faked my death. You made it easier for me. Aizen said shocking Ichigo. But! Hold on! How did you know we were going to go through the West Rukon district in the first place? Ichigo demanded. It doesn't matter. Minato was gasping while trying to get up. He's right. What matters is that you have what I want. And you know what I want. The Hyogaku. Aizen said to turn to Rukia. What?... What is it? Ichigo demanded. I'm tired of talking. You're going to die anyway. Aizen smiles before something or someone crashed behind him. AAAAAIIZZEEENNN! The fox thing rang. Aizen spun around and blocked the sword by seizing it. Aizen smiles at the fox looking captain. How dare you! How dare you smile while you betray us! All of us! You won't be forgiven! You don't either! Kaname! Komamura growled. Aizen jumped back Rukia when Komamura slammed his fist, pounding the ground. Kaname! If you have an explanation, I need it here now! Komamura said. Kaname Tosen said!... Nothing. Nothing? Bad Kaname. Komamura said he was increasing his spiritual pressure. Aizen smiled and was right in front of Komamura.'What? That's impossible! He should be with Kaname. Kaname. fox man thought only to see that Aizen fade. Hado #90: Kiruhtsugi. Aizen said. Black poles appeared at the corners of Komamura and formed a black square trapping it inside. The box pulsed before dispersing. Aizen turned around as blood spits from Komamura's body. The fox fell, unconscious. No way! Minato said with admiration. This battle between two captains. I can't believe I can be so helpless. Ichigo thought. So this is the unspoken Hado 90. Pretty neat. I guess you were in control of that little tact when I wasn't looking. Gin said. No, it was a failure. What you saw was only a third of its destructive power. Number 90 is hard to control. Aizen said he seized Rukia from Gin. Oh, I'm sorry I didn't kill you yet did I? Aizen said looking at Ichigo then Minato. Ichigo! Uryu called like him and the others ran to the sight. No going away! Ichigo screamed. They all stopped in confusion. Rukia! Orihime called. Oh no no. You shouldn't move. Gin said, increasing his pressure. They all fell one by one because of the pressure. Now Rukia kuchiki, let's start, don't we? Aizen smiled while taking some kind of object and clicked on it. Once he did, the mist began to seep in and swirled around his hand. Aizen stop! Minato screamed. Aizen ignored it as 6 green spikes pulled from the ground. Aizen's hand turned green and scaly before plunging his hand into Rukia's chest. RUKIA! Ichigo screamed. Aizen found what he was looking for and pulled it out by letting Rukia fall. How fascinating. I didn't expect it to be that small. Aizen said he was watching the little incassé orb. The hole in Rukia's chest closed. And no permanent harm to the soul. What an amazing technique. Aizen murmured. It's a shame. I have no use for you. Kill her, Gin. Aizen ordered. Well, if I have to. Shoot to kill. Shinzo. Gin said the blade grew and shot Rukia only to stab Byakuya. Or... Nii-sama. Rukia murmured as she was in her arms. The blade retracted from his chest, allowing the blood to flow. Byakuyal Rukia called as he fell only to be held back by Rukia.Aizen began to walk up to them when he looked up to see the giant jidanbo. Let's go Jidanbo! Kukaku smiled. All right! Jidanbo smiled. Hado 63! Kukaku screamed as the lights burst out of his hand as he fired on Aizen.Aizen went away, but was greeted by Soi-fon and Yoruichi. Yoruichi held his sheathed blade and Soi-fon had his blade against his neck. Don't do it. You move

as much as a muscle, Yoruichi said. So I was going to cut your head off. Self-fon finished. Yes, I can see it. Aizen Well, it was flashy. What must I do? Gin asked to raise his hand, but his wrist was grabbed by Isane. You shouldn't even move. She said. Sorry, Aizen-taicho, I got caught. Gin smiled more, if that were possible. That's the end of it. Yoruichi said. Hm? Did you say anything? Aizen asked. Can't you see? There is no place to go. No place where Also. Yoruichi said the other captains and vice-captains appeared all except Toshiro, Matsumoto and Unohana. Minato! A voice is called. Said man turned to see his wife Kushina and student Kakashi run towards him. Sorry, it took us so long. Mei smiled. We've been caught up a little bit. Tsunade said with Sakura by his side. So he's the traitor huh? Sasuke smiled standing with Orochimaru who had a smile too. Aizen looked around and smiled. Well, well, well. Quite a difficult situation your in ... eh, Sosuke-chan. A voice said Aizen was freezing. His smile was gone. Everyone was looking around to see where that voice came from. Then they found the owner. Yoruichi and Soi-fon jumped back as the person was back to back with Aizen. This seems like a fun game. Can I play? The person asked. What are you doing here? Why aren't you at the base? Uzumaki? Aizen asked. Everyone from the elementary nations froze to hear the last name. They narrowed their eyes... and they expanded to whom they saw. What is it? I just can't take a breath of fresh air now? Even if I'm not alive, a man breathing, you know. Uzumaki asked. Aizen recoiled and turned to the 16-year-old boy. In front of him was a tall 16-year-old boy who was a little taller than Sasuke. He had spiky blond shoulder-length hair. He was wearing a high-necked jacket with black trips. The jacket was zipped down a bit showing his net shirt underneath. The sleeves were rolled up to the elbows. He wore a white Sashinuki Hakama who were gathered at the ankles giving them a ball effect. He had a black belt with more length. Hidden beside him was a sheathed Katana that has a white handle and a triangle shape with two crusaders (The symbol of Judeism) for a guard. On his feet, he wore flat pointed ankle boots. On his right ring finger was a silver wedding band with the Kanji 6. On his left middle finger was a purple ring with the Kanji Zero. On his pinky left was a black ring with star Kanji in crimson. It was Naruto Uzumaki. Arrancar and Espada number zero. Uzumaki. Aizen growled and looked. Naruto ignored him and ran a hand through his hair revealing a bone-like headband on his forehead. The funny thing is that it's bone. Naruto then turned his attention to Aizen and watched his spiritual pressure out of the cards bringing down the entire Soul society to its knees. Aizen was no exception. We had a deal, Aizen. Naruto said cold, all humor in his voice gone. What? Aizen asked. Naruto broke his fingers. In a blur Kaname and Gin had their spitting their chests, killing them. Isane froze that Gin's blood got on her. Gin! Kaname! Aizen screamed. Blurring appeared on Naruto's side revealing that they were three women and a little boy. We had long green mint hair with hazel eyes. She had purple line running through her face. She had light tanned skin and a gorgeous curly figure. She had a curved horn skull on her head. Sound was the most notable thing about him. His bust was at least one cup of DD. She wore an outfit similar to Naruto's, but did not have a high collar only a short one. Her outfit was tight around her, but seemed that she was able to move freely, having long sleeves. She wore white anbu like pants with a black belt tied around her waist and her unsapped sword hidden at her side. She loves Naruto sported a silver wedding band on her right ring finger and a green ring on her left ring finger with the 3.The second woman had dark skin, beautiful jade green eyes that seemed more dynamic than Sakura. Blond eyelashes and messy blond hair that came down into three braided locks. She was wearing a variant of the Arrancar jacket. He had a high collar that covered the lower part of his face down, while baring much of his DD-cup breasts. The jacket had a zipper that ran along its entire length which is open from the bottom up. The sleeves of the jacket completely wrapped his arms leaving only his hands, which had two rings. One on each ring finger. On his right a silver wedding strip, and on the left a light blue ring with the Kanji 3 and S. His sword is tied horizontally on his back. It is particularly wide and short while being completely hollow in the middle, and has a Western style guard. She was wearing a black belt with white Hakama pants. The third woman had blue eyes and long beautiful black hair that was on her back reaching up to her knee-caps tide in a chain like the bride. She wore a small black collar on her neck and also had a pair of creamy white gloves without fingers. The white dress she was wearing covered only her DD-cut breasts and showed the hole in her chest. The dress also revealed the white and black trimline G-string she was wearing, with her gorgeous hips and her big but round ass that made those who saw her throw himself into the sky because of the huge nosebleed they had (AN:My profile picture, but without the black fabric and horn on her head). For the shoes, she wore nothing showing her own feet as the dress was ankle length. The boy, who stood next to the dark-skinned woman, stood at the minimum height of 4'4 and had white spiky hair and turqian eyes. He had a Kenji for seal tattooed on the right side of his neck and another Kenji that was a name on the left side of his neck. The boy was wearing white hakama pants that were held by a light blue belt to his garbage and a fish fish and water shirt that showed his pack of six. He wore a sleeveless black haori with kenji for Zero on the back with the Katana on the back that was held in place by a green belt and a star-like round clip. He was wearing a pair of black fingerless gloves and a pair of Naruto-like boots. Everyone looks at the third woman and the boy with wide eyes that have stated shock and disbelief, with Aizen who look confused but always angry at each other's other women appearing. Joshoro and Kyoraku looked at Unohana as they whispered... »... Woah... Isane looked at the third woman who gave him a maternal smile, making the Fukutaicho shiver and slightly gasp. Unohana-... Mr. Taicho. Sorry to have come unexpectedly, Tou-sama. Retsu-san and I couldn't resist making our last appearance on this dump a lifetime later, said the white-haired boy with an icy voice as he looked at the Soutaicho staring at the boy with his eyes closed. The old man opened his eyes as he looked at the blue-eyed woman who looked back with an empty look. The old man said: Retsu Unohana... Toshiro Hitsugaya. What does that mean? Nel, Harribel? Aizen looked. They no longer serve you Aizen. And the reason I'm doing this is because you broke our agreement. Naruto said in the same cold tone. What did he ask for? I specifically told you to keep Nnorita on a leash and we will have no problem. Give me what I want and I'll work with you. But no, Nnorita attacked Nel-chan, breaking your market share. I told you specifically, if one of your dogs attack my friends, my son or my servants, I will kill them and you. So the heady is dead. Naruto shrugged before tearing Aizen by his neck holding the top. Before I kill you, I'm going to take what's mine. Naruto said as he pushed his other hand into the center of Aizen's chest shocking everyone. Naruto pulled out his tongue while he searched. Ah! There he is. Naruto smiled as he grabbed him and pulled his hand away with something in it. By bleeding the blood, he handed it to Toshiro. Hold this for me, Sochi. Naruto smiled. Of course Tou-sama. Hitsugaya nodded with a hidden smile. Naruto smiled then looked at Aizen. Oh what is it? Naruto asked as he released the Hogyoku. This thing is much smaller than the mines. What a waste, Sosuke-chan, Naruto said. Naruto pocketed it and dropped it. I don't care. Nel-chan, do you want to do the honors? Naruto asked. Of course Naruto-kun. Nel smiles while drawing his sword and decapitating Aizen.Naruto smiles as blood drawn out of his neck. So weak. Naruto murmured. Naru-koi, I think we have company. Retsu warned Naruto. Hn. Naruto growled. N-Naruto-kun? Mei asked for watery eyes. Naruto looked at her and smiled. Oh-Hey Mei-chan! Naruto said she was jumping and kissing him. I missed you so much! Mei cried. Wasn't it as easy to find you either Mei-hime. Naruto was laughing while Mei was backing away. An orange blur flew to Naruto shouting NARUTO-KOI! and attacked the man, he did not fall. When the blur was finally seen, everyone jawdropped to what they saw, with Isane muttering... How ... Is that possible?... Rangiku-dono... Unohana-tacho... Hitsugaya taicho... What's going on? The blur turned out to be Rangiku Matsumoto who was dressed in the same outfit as Tia, but without the high collar and his Zanputo was held the black belt around her rubbish on her back and she had a ring on the middle finger of her right hand. She leapt from Naruto not before giving him a kiss, which she received a glare from Nel, Retsu and Tia and an eyebrow jerk from Toshiro. She walked over to Toshiro and gave the poor little boy a huge maternal hug with his head between his massive breasts. OH MY SOCHI-KUN! YOU MISSED MOMMY SO MUCH! Toshiro used as much force as he could to withdraw from the breathtaking embrace and shouted to Rangiku: FOR PLEURER, it was only two hours, KAA-SAN! ». Naruto glances at both with a look that says, Settle down or take your watermelons and sake which the two responded by standing behind Naruto with serious glances at the Shingami of the Soul Society. Who are you? Yamamoto demanded. Naruto raised a forehead. Me? I'm the Beatin Jabroni, Pie eatin, Trail blazin, Eye brow grape, fast in a fight, fast on a word, came to finish this god abandoned world, NARUTO UZUMAKI! Naruto smiles as he dances like Jiraya's. Here he is again. Toshiro and Nel sighed. Sometimes it gets old. Tia murmured. Naruto heard them and the sweat fell. Why are you here... NO matter WHY I'M HERE! Naruto shouted to cut him. It's Naruto-kun. Mei thought. So this is the society of the soul? Hasn't changed. Naruto murmured, but everyone heard he dances like Jiraya's. Here he is again. Toshiro and Nel sighed. Sometimes it gets old. Tia murmured. Naruto heard them and the sweat fell. Why are you here... NO matter WHY I'M HERE! Naruto shouted to cut him. It's Naruto-kun. Mei thought. So this is a danger to Soul society with these shingami thugs. Yamamoto said that Toshiro raised his reiatsu, making the ground on which he stood for thin ice becmm. He was arrested when Naruto grabbed his shoulder and shook his head at the white-haired boy. Naruto looked back at Yamamoto and said, You know I was really going to leave you in peace, but now your piss me off. Naruto, son, Minato called. Naruto watched him wonder what he wanted. Why not stay here? So you, your mother and I can be a family, as we were supposed to be, too. Minato said. No, I have my own family as you can see, and a harem full of girls ... with some (smiles). What can this place offer me that I already have? Naruto asked. Your friends. Kakashi said. My friends?... Friends? Naruto screamed. Nel, Retsu, Matsumoto and Tia got a little closer to him to calm him down. HAHAHAHAHAAAA! Friends? Like Sakura and Uke-chan? Friends like those Kaka-baka? Naruto asked. Naruto then looked at Yamamoto. You don't do to the world of the living have you, old man? Naruto asked. What do you mean? Yamamoto asked. I mean Uke-chan, and Orochi-chan are the greatest traitors in our home world. I'm surprised not to see Kabuto-chan here, but I guess Itachi-chan as Itachi-chan has it in this Genjutsu. Naruto was laughing. Naruto things don't need to be that way. Stay with us. Sakura said. And be the last dead again? Sorry, Pinkie, I didn't fall into it for that. Also, what makes you think you can hold me back? Naruto asked to raise a forehead. How about we have numbers. Kenpachi smiles. The numbers don't mean to me in this case. It's quality, not quantity. Anyway, I feel crowded. Naruto said he raised his palm. Shinra tensen. Naruto said everyone was blown away. How is that possible? Your dead! you can't use chakra! Sasuke said. Don't underestimate the unpredictable number one join head, the ticking time bomb, Jabroni beat, Naruto Uzumaki ... Dattabayo! Naruto smiled. Naruto-sama! Shiro-chan! a female voice called toshiro eye-twitch in the name it was called by. Naruto turned his head to see Momo running towards him. Momo-chan. Naruto smiles as Momo hugs him, causing Mei to gain a tick mark on another woman who rises again on her man. I'm glad to see you Naruto-sama. Momo smiled. Momo? Your living? Minato asked. Momo what are you doing? He's an enemy! Isane said. Naruto-sama is not an enemy! Aizen-baka-teme was the enemy! Momo said. Don't you wonder how I got here? Momo-chan of course! Naruto smiled as he kissed her forehead, making her blush and pulverizing words for a second, but sighed blissfully (and laughed) and Matsumoto smiled, giving got him a pout from Momo. You see before Aizen-baka could kill Momo-chan, I changed her with a clone of blood henge! if everyone thought, including Aizen, that she was dead when secretly she was trying to find a way for me to come back since her seal was used. Naruto said. Momo Hinamori, Toshiro Hitsugaya, Rangiku Matsumoto, Retsu Unohana. You are a traitor to the ... CLOSE YOUR TRAP AND KNOW YOUR PLACE! What for? BECAUSE MOMO SAID IT! Momo shouted cut Yamamoto.Naruto slapped on her like a fish that Hitsugaya kept holding back is laughing. Never and Naruto means NEVER! Steal his catchy phrases. Naruto said. Hai... Naruto-sama. Momo murmured while all the women who stood with him laughed. Now where is Anko-chan? Now, I was trying to live. Make a name for me and all that biz. But now... After seeing how this place treats the real traitors and the poor like my son and Rang-i-chan with Retsu-hime, I decided to realize Aizen's dream. To become god against soul society? Soifon asked her hair covering her eyes. Naruto was surprisingly serious now. At first, no. I was trying to live. Make a name for me and all that biz. But now... After seeing how this place treats the real traitors and the poor like my son and Rang-i-chan with Retsu-hime, I decided to realize Aizen's dream. To become god. Although I am already one, I am not that kind of god who governs everything in a bad way. I want to change everything. To have true peace. Lia Lia Nagato-sempai wanted to. And if that means I have to play the bad guy in the eyes of the hero, then I'll. But nothing will stop me from reaching my goal. Nothing. Naruto said. Soifon nodded and walked towards him. Nel and Tia got tense while Mei, Toshiro, Restu and Momo were curious. Naruto... did nothing. He looked at her. He looked at her as she was right next to him while Momo stood near Nel as Matsumoto stood near Retsu and stinged the sweet and fat boy of women gaining a sweet smile that promised death if she did not stop. Matsumoto shudders and recoils at Naruto's frightening wife whispering to herself never to do it again. The Shingami looked with battered breaths, wondering what Soifon would do as it seemed she had some sort of connection with Naruto.Said woman looked up naruto with a squal eyes and a smile. I thought I'd lost you. That you're never going to come back. Soifon said. Naruto smiles at him. And leave my little bumblebee alone? Never. Naruto said. Soifon smiled and kissed her lips shocking the Shingami and getting a pout from Momo and Mei, while Retsu smiled at the meeting as she clapped her hands once. Jushiro, who stood behind Retsu thought: I wish him, but would ... tap. Soifon what are you doing? Yoruichi demanded. Soifon walked away and grabbed Naruto's hand as he faced them. I'm going with Naruto-kun. I want to help him achieve his goal. Soifon said. Just like us! said a voice as Naruto was surrounded by three blurs. I thought you'd never show up. Whisker-chan, whity-chan. Anko smiles as he wins an hn from Toshiro who had become accustomed to his insults. Yes, yes, it's true. Dango-chan. Naruto laughed with fire, making him win a tick mark. So that was the head you were talking about? Tayuya asked. Naruto's eye was shaking. Hey, I remember you! You'r that her 3 girl or something! Naruto pointed the finger. Tayuya blincked before she pointed back too. And your blonde head that wore that Orange like that were that Orange like me jump suit! Tayuya growled. Fuck you horn girl! Naruto screamed. Fuck you shit head! Tayuya shouted back. You! You! YOU! YOU! They both screamed before knocking everyone down sweat except for Toshiro who shook his head and mutated I'll probably get a sister soon... again. Whisker-chan of course works quickly. Anko murmured as the other girls nodded. Naruto got away with it as Tayuya looked dazed. So I take it your coming along then? She nodded foolishly and said, If that means I don't have to be with Goody Goodie two shoes, yes. Naruto smiled and kissed his forehead. Welcome aboard. Naruto smiled, but someone broke his throat while making naruto look at the last person of the three and his eyes widened. M-Miko-o-chan. Naruto was stuttering. Naruto-kun. Mikoto smiled. Mother? Sasuke asked. Mikoto ignored Sasuke and gently kissed Naruto's lips. Naruto. ... been long. Naruto-kun. You've grown up well. Mikoto smiled. Before Naruto could answer, Kenpachi burst. Enough of that! He said by drawing his sword and charging the group. Naruto smiles at Mikoto as Retsu walks forward and looks at Kenpachi. What a parasite. And there I thought you would be a promising challenge one day, but Retsu said while holding his hand and Kenpachi stopped in the air just 1 inch from his palm, shocking all the shingami, even getting big eyes from the Soutaicho himself. She then closed her hand in a fist... slightly struck Kinpachi on the forehead. He was propelled back with the ground by an unknown force as he screamed in pain. Ken-chan! Yachiru screamed. Stop him and traitors at once! Yamamoto screamed. Ooooh you don't want to do that. Naruto said before they could even move. You see I can kill you all in one sweep, but I've decided not to kill too much. But that doesn't mean I won't. You're pushing your lucky old man. I'm sure the people there still want to exist because after that, you'll die. All the time! Naruto looked. Naruto doesn't do that! Tsunade supplia. You want to know what turned me into a hollow? It wasn't because of my first wife. No, it was because of loneliness, hatred, and other. But I have a question. How the heck orochimaru is here, if itachi sealed it? Naruto asked. Only we have the ability to seal souls. Shunsui replied. Naruto nodded. That's why Nagato-sempai is alive. Naruto thought. Ok anyway come back to the point. It was my so-called friends who pushed me into a trough. Naruto said. W-What? We didn't do anything! Sakura said. Hehehe, my dear Sakura-chan. You know the saying, if you have nothing to say, keep it to yourself? Or keep your thoughts to yourself? Why aren't you all that nodded. You should have thought of happy thoughts. No, it's your fault. It's your fault Sasuke-kun is dead. While looking at our friend's body. The dead hear things. Naruto said. But we didn't all think that! Tsunade said. You're right. Not all of you have thought of such things. Like you, Tsunade-chan. Uncle Bee Lee, Gai. And a couple more. Even the Kages. By the way, Gaara and Konan are with me. Anyway, but the rest of Konoha? The people I helped bring back to life. The people I put my life on the line for? Again and again. And the person who defeated both Pain and Madara before he ate some hot cold in this and exploded with massive diarrhea. Not to mention the second Orochimaru, Uke-chan. These people, with what is called the will of fire, do not think so strongly of me. Naruto it hurts to give your life for the people you protected with everything you had, spit on your grave. It seems that Dad didn't have this problem. As they ruled the father, but damned the Son. The same son who ended the 4th Great Shinobi War. Naruto Naruto of the elemental nations was silent. Anyway, it was fun. I think so. It's time for us to go home. But don't think you heard the last of the beaten Jabroni, Naruto Uzumaki! Naruto smiled as they all committed to float thanks to a beam of light that shone on them. Wait for Naruto-kun! Kushina called, running towards him. Kushina no! Minato said they tried to run after her, but was still hurt by his injury that Aizen gave him. Yes? Naruto asked. Take me with you! Kushina said. Naruto thinks about it before shrugging his shoulders. All right! Naruto smiles as a second beam hit Kushina floating his float. Kushina why are you doing this? Minato asked. I wasn't there for him. Not at all. And it was because of Obito. But when I met him, I had the chance to bond with my Naruto-kun. I'll be damned if I miss that chance. Even if it makes me your enemy, I'll be with Naruto-kun! Kushina said. Soul Society for so long! NARUTO UZUMAKI WILL BE BACK! Naruto screamed as he and company disappeared. Yamamoto growled annoyed. Next time Naruto Uzumaki. When you get back. You're going to face justice. The man thought. Yoruichi cried in the-... Anger. Was he more important than me? Did she go with him because he offered her a chance to come until I did? What for?... Why Soifon? The cat woman thought angry. 'Uno-... Unohana-taicho-... What for? Isane thought as she kissed and fell to her knees. Joshoro and Kyoraku arrived in Isane and comfort the silver-haired shingami as she released strong sob. Naruto! It took Kaa-san! Tou-san won't like it. Not at all. Sasuke thought.Naruto, I'm sorry ... I'm really sorry. I promise to get you back so we can be a team again. This is my promise of a lifetime! Sakura thought. Should I have gone? I found it. And now he's gone. Tsunade thought. What have I done wrong? Why Kushina? Why did you leave with our corrupt son? Naruto doesn't want peace! He wants revenge. Minato angrily thought that the doctors took him and the others wounded away.'For a woman's doctor is strong huh? I'll enjoy confronting you one day. Mr. Unohana. Kenpachi thought with a sick smile. Why did he look at me before he left? What could he want with me? Orihime thought in confusion. And why does it look like Namizu-kun? I mean they both have the same name. Could they be the same? She thought. It seemed that Chad knew what she was thinking as he thought the same thing. I don't think it was Orihime. The Naruto we know is kind and compassionate. Not like this one that seems to go down and kill people. Chad said. I agree with Chad. I may never have spoken with the Naruto-san we know, but it seems very different from this Naruto. Uryu agrees. Well, we should go help Ichigo. Orihime said that she and the others went to do just that. Los Noches (Forgotten spelling)Man who took longer than I expected. Naruto murmured like him, Toshiro and the walked through the corridors of Aizen Castle, which is now naruto. He looked at Toshiro as the white-haired boy nodded and held Unohana and Matsumto by the way. The three broke into ice particles, shocking Mikoto and Kushina who felt chakra of technique. What is the next Naruto-kun step? Tia asked. We round up the weak. And send them to recruit new lows. I intend to create my own army. Naruto said. What weak Naruto-kun? Nel asked. The Espada of 21 years and over. Starting with Espada 20 and lower, we're going to redo the force system. Aizen had to be lenient with it as he gave this freak hent Nnorita number 5. Hell, even that cat, Grimmjow, was stronger than him. Naruto said he entered the throne room and sat in his seat. Naruto closed his eyes while resting his chin in his palm. What rank will we have Naruto-kun? Nel asked. Naruto opened his eyes. You two will not have a rank. He said to shock them. W-what? But Naruto-kun (Look of surprise with sadness) Tia asked. Calm Tia-chan. You will not have a rank because you will be apart from my new system of strength from which Unohana-Hime, Rang-i-hime and Sochi are separated. The Maelstroms. Naruto said he was getting confused looks from everyone. We'll talk about that later. I want you to circle around the other high-ranking Espada and bring them to the meeting room. After having a meeting with the whole Espada. Rejected. Naruto ordered. Nel and Tia nodded as they kissed his cheek and left. Now for you guys. Naruto said looking at the girls in front of him. To begin with, I am very happy that you have all decided to join me for my goal. I don't care if you want to fight for the army or stay by my side. But let's get this straight. Naruto said how serious he got. I treat all my daughters equally. There is none, who gets more than the other. The fights would start between all of you and I don't want that. What I want is for you all to be great friends, sisters to be exact. And yes, that means you too Tayu-chan. Naruto said Tayuya huffed with a pout. Naru-kun, what if we want to fight for you? Kushina asked. Then I'm going to have to test your strength and start your training. And now that I have this Hyogaku, I'm going to make the mines even stronger by feeding him this puny thing with a barrier breaker. The mines were too strong enough to give my son physical energy, but not enough to do something like a Buushin Kage, Naruto said as he pocketed it in his right pocket. It seems that the boy, Ichigo Kurosaki is a part because of Urahara. Anko-chan and Tayu-chan with Uke-chan are closer to Vizards as well because of the orochi-chan curse mark put on you... drunk I'm not going to have any of this happen. Not after the last time Uke-chan had his first power test. Ugh! Naruto said with a shudder. Is that going to make a difference? Anko asked. No, it's not. It's just easier for you to turn and have your mind in check you've been dealing with dark powers for a while now. Naruto said. What does this mean for our Zanpakuto, Naruto-kun? Soifon asked. Nothing. All that means is that you will have more power. Most Arrancars have their Zanpakuto in the form of Shikai. Like me. But you can choose whether or not if you want this. But I'm still working on a few details right now, Naruto replied. That's awesome! So when do we start? Anko asked. After the meeting. First of all, I want you all to settle down and meet the rest of the family. Naruto said. Family? What do you mean? Mikoto asked. Naruto smiles shyly. Well, you see over the years, I've been dead, a little ... NARUTO-KUN! A whole series of voices called for the door to open to show at least 20 women rushing towards him. The other girls looked in shock and jumped off the road as the giant hoarding of girls hugged and ripped off Naruto.Naruto made his signature hand sign and jumped while saying, Jutsu clone of blood! Naruto said. As the same amount of Naruto girls appeared and no one knew who was the real one, but it didn't matter that each girl hugged their own clone. The real Naruto was, however, standing on the air while doing with a black-haired goddess. The woman pulled out with a smile and pulled circles into her shirt. You took long Naru-kun. The woman pouted. I'm sorry Kuro-chan. Naruto smiles softly. The woman had long black hair braided into a ponytail while having a long bang that covered her left eye. Looking at her on the right, she could be seen to have red eyes without a pupil. She had tanned skin that was a lighter shade than Yoruichi's. His fangs darted from his upper lip like Naruto and had beautiful soft lips. She really had the body of a goddess because she had curves in all the right places. She wore the same outfit as Tia, but the sister had a high collar like naruto and was zipped down a bit showing her cleavage. The woman had a flat but muscular stomach with long legs that seemed to run for days, but she was only at least 2 inches shorter than Naruto. She had at least one DD cup that were tight against her tight jacket. Attached around his waist was a black belt and hidden inside and at his side was his Zanpakuto. This woman was the first wife of Naruto and mate, Kurohime Shinju Uzumaki.Naruto and Kurohime floated down and sat in the throne. Well Kurohime sat on Naruto's lap, putting all the others but clung to their clone. Naruto... Who are these girls? Kushina asked. Long before they broke out, what I was going to say was that over the years, when I was a hollow, before and after joining Aizen, I explored the human world... or worlds to be honest. Past and future. Thanks to Kurohime, I was able to do it. But only once a year, of course, I'll harpoon the details for later Naruto paused. Anyway during these years, I met dozens of girls. These are these so-called girls. For some of these I am known as their Ashakabi, their destiny. Others their master, and some very emo-like, their god. These girls are my fiancée's. But... Naruto broke down and at his side were three other girls. They're my wives. Kurohime-chan, Nel-chan, Tia-chan, Retsu-chan and Rang-i-chan are one of them. These three are Karin-chan, Temari-chan and Konan-chan. I have many others like Annie-chan, Misaka-chan, Miya-chan, Kazehana-chan, Uzume-chan, Akitsu-chan, Seras-chan... Naruto said with the names going to get a huge gap mouth of the people he brought with him trying to count all the names, but did not miss. These girls wore the same outfit as Nel but were different. Karin wore Hakama pants instead, Temari wore tight shorts and Konan had no sleeves. The shirts of Karin and Konan were from squeezed against the skin it showing off their breasts and nipples that were clearly visible. While Temari's handcuffs were baggy almost like a Kimono. Then Naruto made a gesture to the other girls he mentioned as their outfits ranged from either Nel or Konan. Some even had Hakama pants while having a shirt like Konan's, others having skirts ranging from long to extremely short. Girls are, well, I don't know what to call them, actually. They're not really my buddies yet, and the only girlfriend is Mei and it's hardly. Um... Future wives. Mikoto said. Hm? Naruto asked. Your future wives. Well, I'm at least one. Mikoto smiled. Well um yes what Miko-chan said! Girls is, Mei Terumi, Mikoto Uchiha, Tayuya... Tayuya?! One of the girls screamed. Tayuya sought to see her cousin Karin. K-Karin? She asked. Oooh Naruto-kun! I am so happy and grateful that you brought my cousin with! Karin said she was kissing Naruto. Said teenager was just waving his hands comically. Karin... Your smother it again A young girl with black chin length said with a monotonous of all kinds wearing a black scarf around her neck. Hm? Oh sorry Naru-kun. Karin smiles shyly letting him go. It's okay Karin-chan. Anyway, Kushina Uzumaki, Momo Hinamori, Anko Mitrashi and Soifon. Naruto introduced. Ok girls, it's my fiancée's. You've heard the names before, but believe when I say The list goes from north to south pole of the Earth Naruto said taking a deep breath, but smiling in the process. Naruto-kun, the others are present. Tia said to enter the room. Naruto nodded and stood up. Konan, Temari, Kurohime, you are with me in this meeting. Mila! Naruto called. Yes Naruto-kun? She asked right after naruto answered. I want you two to find rooms for them. others keep an eye on the Espada. If one of them tries to warn them of me and they continue, kill them. Make an example if you like. I want to kill the non-loyal and keep the loyal. Now that Aizen is dead, things will change here. Karin! Naruto Naruto Naruto-kun? She asked. I want you to have its power to be fed to the Eien no Hogyoku mines. Use it on Toshiro again to see if he can try to make a perfect Buushin Kage. Got it? Naruto asked. Yes Naruto-kun. Karin nodded. Well, that's good. Rejected. Naruto ordered as he walked out of the room with his group and Tia in tow. Has there been any action? Naruto asked. It seems that Grimmjow is angry. Tia said. Hn. Expected from the 'King'. Naruto murmured as he entered the meeting room. It was like any other conference room, except that there was a long and wide table. Nel was standing at the head of the table were Aizen sitting. The other Arrancars were surprised to see Naruto sitting in the same seat. What is going on? Why are you sitting in Aizen's seat? Grimmjow demanded. Calm him little cat. I'm about to tell you the very reason I'm sitting here. And you can't get your answers for your dead, can you? Naruto asked. The man growled before sitting down. This is the most urgent news. As you all know Aizen went to the Soul Society to find the Hogyoku. Well, he found it. And now I have it. And now I have it? Because he's dead. I killed him. Naruto said to make all eyes great, even girls who have not heard the news. What's the reason you killed Aizen-sama, Naruto? Ulquiorra asked. Oh yes! Good question, Ulquiorra-san. Aizen has broken its market share. Have you all heard rumors about Nnorita being killed? Naruto said. They all nodded. Naruto looked while holding his hands intertwined and over his mouth. I killed him. The reason I joined Aizen in the first place was so I wouldn't be bored My life can't just live on sex alone so I decided to see what was going on in the area since rumus were spreading around time on something new happening. When I arrived, Tia and Nel were with me with Kurohime, Konan and the others. Aizen let them sign up, but I was still skeptical wanting to know what the big problem was. When Aizen gave Nel his test against Nnorita for her act, she beat him. Wrong. Naruto paused. Since his death, Nnorita has felt resentment towards women who were stronger than him. Especially Nel. I told Aizen that I would join him if he gave me something to do. And he kept Nnorita on a leash and made sure he didn't go too far against my wives and children. This agreement has been broken. Naruto said blatantly more difficult. While Aizen was away and I was... Busy. Naruto hesitated while Kurohime blushed slightly. Nnorita and two of her thugs killed Nel's fraction, and then Nnorita to kill her. He almost did it without Tia telling me. I killed Nnorita. Then I had my spy in the soul society open a garganta a little far from Aizen and observed his movements. After having enough waiting, I made my gesture. Naruto said. Tia and Nel accompanied me as my son and my two wives. Restu and Rangiku followed behind, killing Kaname Tosen and Gin Ichimaru, two knee dogs. I killed Aizen myself. Naruto said. Nel was silent because she knew Naruto needed to say that. She didn't mind at all. She would do anything for her love. And he would do anything for her. Make her love her more. Everyone was shocked by Naruto's statement. So part of the reason I called this meeting was to see where your loyalties lie. If you're against me, then I'll kill you immediately without hitting an eye. If you're with me, I'll tell you my new plan. But you can't love it. Naruto said. Even if I don't love you, what do you offer me? Grimmjow asked. Naruto looked at him. Power. I can only give you some. The rest is yours. Naruto said. I suppose haribel and Nellie have heard this plan before? Ulquiorra guessed. Not really. They only heard one song. And that was just a name. Naruto said. Where are your loyalties? Stark asked Nel and Tia. Our loyalties have never been with Aizen. We joined him because Naruto-sama suggested it. Our loyalties are and always will be with Naruto-sama. Tia said with Nel nodding in agreement. I see. I don't care. The reason is that your son Toshiro saved Lilynette from being killed by Nnoitra this time and I'm actually cool with you, Naruto Stark shrugged. The others nodded while Grimmjow hesitated. Good. Now let's start the next step in my plan. XXXXXXXXXXXXPheW! Ok. This is the first chapter and I promised that the second chapter will be as long (no longer than 7k) as this chapter. Stay cool, be cool and look cool and... (oooooooooong rotp)
