Register May, May 27, 2020 - 100% Safe - Freeware Free Download (1.5MB) Safe & Secure Latest version:Subway Surfers LATEST REQUIREMENTS:Windows XP / Vista / Windows 7 / Windows 8 / Windows 10 / Windows XP64 / Vista64 / Windows 7 64 / Windows 8 64 / Windows 10 64 User Rating: Author / Product:Kiloo Games / Subway Surfers for PC Old Versions: Select Subway Version Surfers Filename:subway_surfers.exe Details:Subway Surfers for PC 2020 full offline installer setup for PC 32bit/64bit Subway Surfers is a fun endless runner mobile game developed by Kiloo and SYBO Games that also can be played in any modern desktop PC or laptop via its official PC version which comes in an emulated Android app. Originally released in mid-2012 during the height of the endless runner genre popularity, this game managed to easily capture the attention of the public and retain a large player base that still enjoys this title to this day. As the genre requires it, the gameplay of this title is centered on our hero character who travels quickly through a repetitive and endless world, constantly dodging various obstacles and responding to dynamic elements and enemy actions that try to stop or slow you down. As the level of difficulty grows, the player's travel speed, the number of obstacles, enemies, and required movements per second increases, providing an incredible challenge that only the most focused and fast reflex users can overcome. In Subway Surfers, the main character is a cute street vandal who is on a mission to decorate all subway stations and railway lines around the world. In addition to the environmental obstacles that can stop him from his endless run, his main opponents are the police who strive to catch him. The player can ride his hoverboard over tracks, jump over slopes, climb and walk on the trains, dodging to other parallel tracks, and more, while collecting gold coins that can be spent for purchasing cosmetic items, new vehicles, and character skills. Although the original game already managed to provide more than enough content and gameplay stages, this title received a constant stream of free upgrades that have pushed so many gamers to return to it constantly. To play Subway Surfers on the PC platform today, you'll be asked to access this game from the capable, fast and well-optimized Android emulator that can run this F2P mobile game effortlessly. Of course, this emulator allows all the much needed configuration options that PC users need, including buttons, better rendering modes, and the ability to run on a wide range of PC configurations. Stay up to date with the latest software releases, news, software discounts, offers and more. Subscribe 10/10 Very popular and one of the engaging games. Graphics and interface are good. Ratendra Ashok Posts 603 Registration Date Wednesday, November 28, 2018 Status Administrator Last seen June 4, 2020 Subway Surfers is one of the best arcade action games of the moment, thanks in part to impressive high definition graphics. Team up with Jake, Tricky and Fresh, gang members obsessed with painting the subway facilities and helping them undertake a crazy escape from the grumpy police inspector and his pit bull. Hoverboard surf through the subway system to collect various coins and power-ups that you'll later swap for jetpacks and floating skates. Watch out for the sneaky traps that lurk! Although Subway Surfers is originally a video game for smartphones and tablets, you can enjoy it on your PC thanks to BlueStacks, an easy-to-use Android emulator. Once you've installed the program and logged in to your Google Account, just one click is enough to get Subway Surfers to play. Subway surfers is also available for iOS and Android. Subway Surfers for PC is available on iPhone and Android. Alternative spelling: BlueStacks-Installer_BS3_native_020ee036b679f1d62a99637218fa6375-1.65.0.exe, BlueStacks-Installer_BS3_native_020ee036b679f1d62a99637218fa6375.exe Last updated April 22, 2020 at 9:50 a.m. DASH as fast as you can! DODGE the oncoming trains in the free game Subway Surfers! Download Visit from your PC to download this game Windows » Games » Arcade » Subway Surfers Description Subway Surfers is completely free. Paid features include the purchase of a doubling of coins (they are permanently valid after purchase), the purchase of in-game gold and keys needed to gain access to new costumes and continue the game after being caught by the police. The Subway Surfers game for PC and mobile offers two main characters: Jake is the face of the application and the same intruder who met the law enforcement officer at the beginning of the game. Triki is the second most important character. Unlocked by earning only three hats. The rest of the Subway Surfers characters are open to in-game gold or fulfilling certain conditions – collecting tape recorders, guitars, flying saucers and more. New heroes for the game appear along with updates almost every month. They cost 95,000 gold and rarely have extra costumes. Constant races wouldn't be so much fun if kiloo developers didn't add additional features. This primarily concerns bonus rewards. They are published: For daily visits to the game: Collecting letters scattered across the railway; Open secret boxes. To fill out any of these items, you will receive a reward in the form of gold coins or special enhancements. they differ considerably and are as follows: A magnet in the game Subway Surfers is a free great way to get more coins, because they themselves will fly into the hands of the user. Improved sneakers – – You to make high jumps. Jetpack - elevates the character above the game location. Doubled Multiplier - mentioned earlier, increases the points earned multiplier. Jumping is another way to jump high. Hoverboard is a board that hangs above the sky, making it possible to withstand one hit and continue the game. Fast start - you ignore the first thousand meters at the beginning of the game. Their duration can be improved. In addition, on the road, you pick up a mysterious box, from which one of the bonuses described above can fall, and a key that allows you to continue the race after a collision with a train or open new costumes for the characters. You subway surfers for Windows download for free on our website. Anderbot.com - thousands of popular games, apps and the new items. Download Free Subway Surfers for Windows the latest version for your PC, phone or tablet and enjoy using it. Several years ago, endless runner games became hugely popular, and since then they have never stopped (sorry for the pun). This kind of title usually stands out as a platform video game in which our character progresses non-stop through a rather repetitive and endless world, dodging all sorts of obstacles as the difficulty grows almost inviting us to die sooner or later. Our only goal is to help our character move forward as much as possible, help him to jump, duck, or avoid elements of the scenario that are there to stop us. There are plenty of examples of this type of game on mobile devices, which are some of the most infamous examples Temple Run or Subway Surfers, which you can also download to your Windows PC starting today. In this game developed by Kiloo our endless run has an excuse. We take on the role of a cute street vandal who loves decorating the subway stations and lines from all over the world with graffiti. And of course he has to flee from the police who are chasing him in order to continue to show all his art in the different scenarios, while he also tries to collect coins along the way. And not just running around, but riding a hoverboard. The PC version of one of the best endless run games. The best thing about Subway Surfers is the constant updates. Not only will we be able to play with new characters, choose between Jake, Tricky or Fresh, but in each new version we will discover a new city in the world to play on its subway network, and also use various hoverboards (flying skateboards) to be able to escape at full speed. Main features Ride your hoverboard and surf non-stop on the train lines. Avoid all obstacles on your way. Escape from the police while you collect gold coins. Buy and collect new vehicles and improvements for you Visit different cities around the world in each new update. Colorful HD graphics. Before you press the Download button, you should know that there are something like an official version of Subway Surfers for Windows, but that doesn't mean you won't be able to play on your PC. There's a trick for that. This download offers you an Android emulator from the likes of BlueStacks and the MOT of the Android version of the game so you can make it run immediately on your computer. What's new in the latest version The world tour lands in Bali. New character Mei with a new outfit called Bumi. Coral Board in these special green offers. Unlock prices in the seasonal hunt with the plastic bottle tokens. Subway Surfers Download For PC Subway Surfers Download for PC along with highly compressed game torrent and cheat codes. Developed by Kiloo and SYBO Games and published by Kiloo, Subway Surfers is an endless runner video game for iOS, Android, Windows 10 Mobile, Windows Phone 8 and Kindle. It was released on May 24, 2012. Subway Surfers met with worldwide acclaim. Critics praised the game for its visual style, controls and engaging gameplay. Criticism directed at unresponsive controls and monotonous world. While facing gameplay issues, you learn from the Subway Surfers for PC download play with keyboard. Download metro surfers for PC full version Subway Surfers you the role of teen hooligans who walk along the track to escape the inspectors and his dog. While running, the hooligans avoid collisions with various objects and train carriages and eat gold coins from the air. To avoid catching, they can travel on the trains. All this started when the hooligans were caught applying graffiti to a subway railroad site. They can earn in-game rewards from special events like the Weekly Hunt. Metro surfers game download for Windows 10 There are very few characters in theSubway Surfers for PC download setup. Jake is the default sign. However, you unlock all the other characters in one of two ways. With the collection of features of the character, you unlock some characters over the course of the game, while an attribute is a garment, or a doll. And you unlock all the other characters by issuing in-game coins. The characters are pursued by the inspector and his dog. You don't see them all through the game, but they chase. They're always the same. However, the inspector's uniform changes in accordance with the location. When a hooligan slightly collides with an object, stumbling, they appear on the screen from behind. In the New Orleans edition, Frankenstein replaces the inspector with a skeleton dog. In the second editions of London, North Pole and Winter Holiday he wears santa's dress. And in the second edition of Rome and the third edition of Paris he wears the dress of the Easter Bunny. In the edition of draagt hij de ridderjurk.
