Louis vuitton receipt holder

Sep 15, 2012 361 1 united kingdom So late last month I bought a fast bandouliere 30 and I did not have the tape that you get on the box and the thing that the receipt is put in. Instead, I was just given the receipt. So I emailed louis vuitton that I didn't get the tape and the receiving holder dingy. It was my first time shopping in their shop. So I would like the full service also it was a birthday present for me. Btw's is the store in Leeds in the uk that I had to travel 2 hours by car to get because we don't have an lv shop in Newcastle. So lv rang me over the email I sent and they said they don't do the receipt holder Thingys that I was sad, but they person said they're going to send a tape for me today who are really happy about it. Get a Receipt Holder Card Thingy when you buy from them? Thanks Last edited: Oct 16, 2012 I'm from Germany and we don't get envelopes for receipts in any stores just when you order online. In Sweden, we don't get the thing to put the receipt in. Just passed over the counter. 13.06.2012 1.082 37 Columbus, GA My experience here in the USA is mixed... I think it really depends on the SA. When I bought my NF in Charlotte, SA put it in a dust bag and handed me the receipt. no box, no envelope, nothing. In Atlanta and Chicago I received a box, a nice leather strap and either an envelope or a nice card with my receipt. All these are LV boutiques. In Europe, they do not give tapes or wrappings. Sometimes they don't even give boxes March 11, 2011 1,134 122 Europe No tapes no envelopes, just the receipt at the counter. But they always give me boxes. Oct 8, 2012 68 0 North Carolina My husband just bought me the Sully for my birthday on Saturday and I did not have the receipt folder or the tape. When I asked for it, the SA said they were out of them. I also had to ask for a bag that wasn't the display, the option wasn't offered. I don't know what happened to customer service. If you're talking luxury designers, they should train their SA's on some customer service. Apart from that... I LOVE my Sully! BTW I am in Raleigh NC Jul 6, 2012 11,919 361 Beautiful San Diego!! San Diego and Las Vegas I get the works!! Box, leather strap and envelope! By the way.. I never have to ask for a box, it's just always given. And yes, the staff needs training. I complained and they sent me a ribbon set for the box.
