Older tip ENVIRONMENT Fairmont has been named as one of the consistently performing academic institutions in our country. For 2019, we had 4 learners in the Top 20 in the District, and as a school we came third out of 70 schools in District North. 7 of our learners came first in the following subjects: Afrikaans FAL, Business Studies, Chinese, History, IT, Life Sciendes, Visual Arts. Fairmont boasts a proud tradition of sporting achievements in a wide range of sport codes. We are proud of our Olympic, National and Provincial sports performers, both current and past learners. These achievements are made possible by the opportunities our learners enjoy to complete an all-round education, in a meaningful way, in our well-resourced extracurricular facilities. Fairmont High School caters for its multilingual learners in a wide variety of cultural events available at school. These activities range from acting and writing to musicals and talent shows, drama and debating, to writing poetry and participating in the twenty-one societies presented at school. Fairmont High School, founded in 1977, has grown as a traditional English co-ed school with about 1450 learners and a staff compliment from more than 80 teachers in the Northern Suburbs of Cape Town. By living our motto We strive for Excellence, we offer our learners the opportunity to create themselves through our strong academic, cultural, sport and leadership activities. We are proud to have built a culture of top performers on and off the field. We excel academically every year and this is due to hardworking learners, knowledgeable teachers and creating a continuously evolving learning environment. We boast one of the first hockey astros in the northern suburbs, we are the only northern suburb school with a fenced water centre, which is home to

two community swimming clubs, and offers water polo as a sport. Our various other facilities include 8 tennis courts, 2 soccer fields, 2 rugby fields, various netball courts and 2 cricket fields. We have an indoor student centre that has indoor sports such as and netball, basketball and even Futsal events. A cross-fit gym offers us sportsmen and women women the necessary fitness and strength to compete at the highest level. Our cultural and music programme is the envy of many schools and is an important focus this year. We also have a modern tuckshop known as Café Monty. Over the years we have evolved into one of the leading schools in Cape Town. We draw our learners from the Northern Suburbs where we are the first choice for many talented children. We believe this is due to the caring manner in which this school is run. You quickly become part of the Monty Family. What first struck me when I arrived at Fairmont in 2017 was how friendly and happy the learners were. With this we have created an ethos of young men and women who are respectful, motivated, proud and eager to serve and who are fully involved in the school. Our core values of RISE (respect, integrity, service and excellence) fit in with this. We encourage and push it at every opportunity. Together with this, our focus is on discipline and especially ways and appearance that are of utmost importance. Some old school values are negotiable. Ultimately, we want self-disciplined learners who make the right decisions. We are an institution of excellence, but we do not want to promote elitism. With elitism, you exclude and as a community school we embrace all differences. By exposing our learners, parents and staff to diversity, we are developing a balanced and caring school as well as individuals who will be an asset to our country. A big focus is to encourage well-balanced learners and equip them for their bright future. We are very proud of our learners and staff for all the achievements over the past 42 years and I would like to thank everyone for their continued support.
