## If you tell the truth you don't have to remember anything

Mark Twain is said to have said, If you tell the truth, you don't have to remember anything, which means that if you lie, you have to remember what lies you tell anyone. This truism can also be expressed as, it takes more effort to lie than it does to tell the truth. [2] It is suspected that Mark Twain said this exact phrase. If he did, the document would have been lost. The basic idea of the price is true, and modern science proves it. So while the idea that Mark Twain says this may be a myth, the general concept is spot on. We explain the history of the price and the validity of the price below. TIP: Mark Twain is a pseudonym. Mark Twain's real name is Samuel Langhorne Clemens. Mark Twain was really saying, If you tell the truth you don't need to remember anything? My research indicates that Mark Twain never said, If you tell the truth, you don't have to remember anything. Instead, the quote comes from a passage by Mark Twain's Notebook, edited by Albert Bigelow Paine (1935), p. 240. This book contains what is believed to be items from Twain's laptop; This price is believed to be a laptop entry from January or February 1894. However, it is difficult to confirm any of this as the book was published 25 years after the death of Mark Twain in 1910. Other sources from the late 1800s and early 1900s contain similar quotes that are not attributed to Twain. This suggests that it may be just a common phrase. (See this wonderful article on this topic):[4] If you always tell the truth, you will never have to correct the excuses. August 5, 1922, Tampa (FL) Morning Tribune, page 4, Colonel 6 What Does the Quote Mean? Whether or not Twain should be credited with full or partly aside, the acity has been passed down through the times because it has the truth to it. The newspaper implies that it takes less energy to be honest than it is to build lies and keep your story straight. Of course, this is only true as a rule of thumb, and not an absolute. Publicly speaking the truth, one must live in a free society and must escape persecution. If a person lacks those benefits, then a person may feel that they have to lie to save their face. The straightest distance between the two points is a straight line; it takes more energy to lie than to tell the truth. Honestly build the depth of character. As Louie CK once said, not all Mark Twain newspapers are a good one, but this is, even if he didn't really coin it or even say it. Everything else aside, modern science testifies it takes less energy to lie than to tell the truth. [6] The 100 Greatest Quotes by Mark Twain.
